

# Immaculata

## CATHOLIC SCHOOL

WHERE FAITH AND KNOWLEDGE GROW

### Student Club Fee Details

A number of clubs are offered after school to students throughout the year. The extracurricular club offerings vary from semester to semester, depending on faculty talents, student interests, and availability of outside instructors. Each Immaculata student is encouraged to get involved in the clubs offered and to try new things. Some clubs charge fees.

All students in after-school clubs are required to pay After Care fees. External vendors (Soccer Shots and Girls on the Run) are not required to pay After Care fees due to the fees associated with participation in these clubs. Online registration for clubs can be found on FACTS MGMT portal. Some clubs have limited enrollment with membership being accepted on a first come/first-served basis ([2023-2024 Parent/Student Handbook pg. 46](#)).

**Clubs will cost \$11 per session if the student(s) is not enrolled in aftercare (club sessions are 1 hour).**
