# ATTENDANCE

**Be here.  
Be present.  
Be engaged.**

Campbell Elementary and Middle School will adhere to the following attendance policy. Anticipated adjustments are based on the Ohio Department of Education, and those changes will be shared with families when the school is notified. As stated in **Board Policy 5200**, "the educational program offered by this District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. Attendance shall be required of all students enrolled in the school during the days and hours that the school is in session or during the attendance sessions to which s/he has been assigned."

## → Attendance for students is based on hours rather than days.

- Students will be considered present an entire day when they attend from **7:55 am to 2:25 pm** for K-3rd grade students and from **8:30 am to 3:20 pm** for 4th-6th grade students.
- Students who arrive **after 8:05 for K-3rd grade students** or **after 8:35 for 4th-6th grade students**, or check out before the end of the school day **will be marked absent for the time missed**. Any student wishing to attend or participate in school functions must be in attendance for at least half of a day on the day of the school function.

## HOUSE BILL 410

According to H.B. 410, "**habitually truant**" is defined as any child of compulsory school age who has been absent without legitimate excuse for:

- 30 or more consecutive hours
- 42 or more hours in a school month
- 72 or more hours in a year

Campbell Elementary & Middle School will provide written notice to parents within seven days of a child's excused absence of 38 or more hours in a month or 65 or more hours in a school year.

## Reporting off of School

Please contact the school at **330-799-0054** if your child is going to be absent from school due to an illness. Upon returning to school, present a written excuse, dated and signed by a parent or guardian, stating the reason for being absent.

## COMPULSORY EDUCATION/ABSENCE FROM SCHOOL:

Ohio law requires school attendance for all persons between the ages of six and eighteen.

- **Excused absences are defined as** illness with medical verification; death in the family; court appearances; and with pre-approval of the building administrator for extenuating circumstances.
- **In compliance with the MISSING CHILD ACT**, to ensure student safety, **it is mandatory that a parent/guardian call 330-799-0054 to report a student's absence** by 10:00 am on all days a student is absent.

Poor attendance has been identified as one of the major predictors and symptoms of school failure and juvenile delinquency! The new law grants the courts exclusive jurisdiction over criminal cases in which an adult is charged with "PARENT EDUCATION NEGLECT." Under **the provisions of S.B. 181, failure by a parent/guardian to ensure their truant child is attending school can result in court charges**. Failure to comply with attendance procedures may result in referral to the Mahoning County Juvenile Court and/or Campbell Police citation.

# ATTENDANCE

## **JUVENILE COURT INTERVENTION**

Campbell City Schools will be working cooperatively with the Mahoning County Juvenile Court System to implement an Early Warning System (EWS) to provide interventions and support for our students and families experiencing difficulties with, but not limited to, attendance, grades, and behavior.

Parents of a truant student may also be assigned to the Parent Project in Mahoning County for a period of ten weeks for failing to comply with the compulsory Ohio attendance laws. The Parent Project is a parental education program administered by the Mahoning County Juvenile Court which seeks to enlighten parents of their responsibility in the education process. If a principal determines that all other measures have been exhausted in addressing a student attendance issue, they may mandate parent participation in the Mahoning County Parent Project. Failure of the parent to attend and complete this program may result in a complaint of Parental Education Neglect being filed in the Mahoning County Juvenile Court. A parent found guilty of this charge may be fined in the Mahoning County Juvenile Court. A parent found guilty of this charge may be fined up to \$250.00 and may be incarcerated for up to 30 days in the Mahoning County Jail.

## **CEMS ABSENCE INTERVENTION PROCEDURES:**

**Absence Intervention Team:** Once a student has been designated a "habitual truant," the school shall assign the student to an absence intervention team. Within seven school days of this designation, the superintendent, principal, or chief administrator shall select the members of the team, which shall include a representative of the child's school, another representative from the school who knows the child, and the child's parent, custodian, guardian ad litem or temporary custodian. The team may also include a school psychologist, counselor, social worker, or representatives of local public agencies designed to assist students and their families in reducing absences.

**Parent Participation:** Within seven school days of the student's designation as a "habitual truant," the superintendent, principal or chief administrator shall make at least three meaningful, good-faith attempts to secure the participation of the student's parent, custodian, guardian, ad litem or temporary custodian in an absence intervention team meeting. Suppose seven school days elapse and the parent/custodian/guardian fails to respond to the attempts to secure parental participation in the team meeting. In that case, the school shall investigate whether the failure to respond triggers mandatory reporting to the public children's services agency and shall instruct the absence intervention team to proceed with developing a plan for the child.

**Absence Intervention Plan:** Within 14 school days after the student's assignment, the team shall develop an intervention plan for that student to reduce or eliminate further absences. Each intervention plan shall vary based on the individual needs of the student, but the plan shall state that the attendance officer shall file a complaint not later than 61 days after the date the plan was implemented if the child has refused to participate or failed to make progress on the intervention plan.

**Home Visits:** The school will conduct home visits to ensure safety and student well-being. The home visits may be completed by the school resource officer, administration, social worker, or family community liaison.

**Parent Notice:** Within seven days after the plan's development, the school must make a reasonable effort to provide the student's parent, guardian, custodian, guardian ad litem, or temporary custodian with written notice of the plan.

**End of the Year Absences:** If a student becomes habitually truant within the 21 school days prior to the end of the school year, the district may, at its discretion, assign a school official to work with the student's parent and develop an absence intervention plan during the summer. This plan shall be implemented not later than seven days prior to the first day of instruction in the next school year. Alternatively, the school may toll the time period over the summer months and reconvene the absence intervention process upon the first day of instruction the following school year.

**Juvenile Court Referral:** The attendance officer shall file a complaint in the juvenile court on the 61st day after implementation of the absence intervention plan or other intervention strategies if all of the following apply:

- The student was absent without legitimate excuse from the public school for 30 or more consecutive hours, 42 or more hours in one school month, or 72 or more hours in a school year.
- The school has made meaningful attempts to re-engage the student through the absence intervention plan or other intervention strategies and any offered alternatives to adjudication.
- The student has refused to participate in or failed to make satisfactory progress on the plan.

To be eligible for the honor roll list, students must maintain an "A" and/or "B" average in all subjects. A "C" or lower in any class does not qualify a student for either honor roll despite other grades.

## **RETENTION**

Retention may be necessary in circumstances where a student demonstrates an inability to perform work sufficient for promotion to the next grade or has **excessive absences**. For additional information on Promotion, Placement, and Retention, see Board of Education Policy 5410.

# MEDICAL

## **Emergency Medical Forms (EMA)**

Emergency Medical Forms and information must be updated and turned in annually as required by **Ohio Revised Code Section 3313.712**. Emergency Medical Authorization Forms are to be returned to the school office no later than **Friday, September 29th, 2023**. Please keep the student's EMA up-to-date throughout the school year.

## **Administration of Medication**

The administration of prescribed medication and/or medically-prescribed treatments to a student during school hours will be permitted only when failure to do so would jeopardize the health of the student, the student would not be able to attend school if the medication or treatment were not made available during school hours, or if the child is disabled and requires medication to benefit from his/her educational program. (Board Policy 5330)

If it is necessary for school personnel to dispense medication, the following procedure will apply:

- a. Written permission for dispensing prescription drugs must be obtained from the student's parents and from his/her physician. (Forms are available from the nurse).
- b. The statement should include the student's name, name of the medication, dosage, time it should be given, possible side effects (if any) and the length of time the student will be taking the medication. This information is needed for each medication or dosage change(s). No prescribed medication will be given unless this information and permission are provided.
- c. When the medication has been discontinued any remaining medication must be picked up by the parent within seven (7) days or it will be disposed of by the school nurse.
- d. Students are responsible to report to the nurse at the appropriate time to receive medication.
- e. Medications cannot be transported on the school bus. Students may not carry or administer their own medication.
- f. Only medication in its original container, labeled with the date (if a prescription), the student's name, and exact dosage will be administered.
- g. Asthmatic students may carry their inhalers to self-administer with the written approval of a parent and a physician. (O.R.C. 3313.716)
- h. Non-prescription medication may be administered with written and/or verbal parental permission according to school board policy.

## **Accidents**

Minor injuries resulting from an accident will be treated by the school nurse or other school personnel. In some cases, the school nurse will be consulted and she will administer first aid. Serious accidents are reported immediately to the parent or family physician. Accidents are the financial responsibility of the parents. Written reports of school accidents are filed in the office.

## **Unauthorized Use of Medication**

If a student is found using or possessing a non-prescribed medication without parent authorization, he/she will be brought to the school office for possible disciplinary actions and the parents will be contacted. The medication will be confiscated until authorization is received.

## **Medical Marijuana**

Medical marijuana will not be prescribed, but rather recommended by registered physicians. Whether the use of this drug is for medical reasons or recreational use, the use of this drug is strictly prohibited on school grounds. Students may not report to school or school-sponsored events under the influence of marijuana. If a student is permitted BY A PHYSICIAN to use marijuana, he or she is not permitted on school property while using the drug and/or under the influence of the drug.

## **Immunizations**

The State of Ohio (O.R.C. 3313.67, 3313.671) and the Campbell Board of Education (Policy 5320) require students to maintain appropriate immunizations to be eligible to attend school. Any student previously admitted under auspices of "in the process of being immunized" who has not complied with the prescribed immunization intervals shall be excluded from school on the fifteenth (15th) school day of the following school year. The 15th day of this academic year is Monday, September 21, 2020. The excluded student shall be readmitted upon showing evidence to the principal or superintendent of progress on the prescribed immunization interval schedule.

# SAFETY

## **SAFETY CONCERNS FOR STUDENTS**

The safety of our students is our primary focus within our building. We practice model and encourage students to utilize safe behaviors with one another as a foundational pillar towards establishing a safe culture and climate. Please review the Code of Conduct on the page regarding our safety expectations and potential outcomes for students who do not meet these expectations.

Parents or students with any safety concerns should contact an administrator at the building office immediately. This may be done via phone (**330.799.0054**) or by contacting them electronically via email.

## **SCHOOL SAFETY**

Schools have a responsibility to their students and employees to provide safe environments. A big part of safety is exercising concern and respect for others. *Everyone in the school must know that safety is a priority and that everyone has a responsibility to help keep the school environment safe.*

To reinforce this priority, the following measures will be taken:

- ALL DOORS WILL BE LOCKED AFTER STUDENTS ENTER EACH MORNING.
- ALL VISITORS ARE REQUIRED TO REGISTER IN THE OFFICE UPON ENTERING THE BUILDING.

## **STUDENT WELL-BEING**

Student safety is the responsibility of both students and staff. Staff members are familiar with emergency procedures such as evacuation procedures, fire, and tornado drills, safety drills in the event of a terrorist or other violent attack, and accident procedures. If a student is aware or believes there may be any dangerous situation or incident, they must notify a staff person immediately.

## **EMERGENCY DRILLS**

Drills are conducted periodically in the form of an evacuation of the building or lock-down(s). CEMS also conducts drills for severe weather. Students should listen carefully, follow directions, and remain calm and quiet to hear directions and aid in all individuals' safety.

## **FIRE DRILLS – TORNADO DRILLS & LOCKDOWN DRILLS**

Be sure you know the proper exits in case of a fire drill. Detailed procedures for fire and tornado drills are posted in each classroom. Move quietly, quickly, and orderly; failure to do so could injure oneself or others.

- **Any student deliberately setting off a false fire or tornado alarm will be automatically suspended from school and reported to the State Fire Marshall for prosecution.**
- Any student or students deliberately making false bomb threats will be forwarded to police authorities for prosecution.

The student code of conduct applies to all field trips. Every effort should be made to attend these important meetings with your child's teacher.

## **REMIND**

CEMS will utilize the communication platform, Remind, in our efforts to stay connected to our families and the community. Remind will be used by our classroom teachers, building administrators, coaches and various departments to communicate important information as needed. # PBIS

## POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORTS

**Campbell Elementary and Middle School** utilizes Positive Behavioral Interventions & Supports (**PBIS**), an implementation framework for maximizing the selection and use of evidence-based prevention and intervention practices along a multi-tiered continuum that supports all students' academic, social, emotional, and behavioral competence.

*(PBIS.org, National Technical Assistance Center on PBIS, June 2018)*

### **ESSENTIAL COMPONENTS OF PBIS**

- ➡ **PROVIDING CLEAR AND CONSISTENT EXPECTATIONS**
- ➡ **EXPLICITLY TEACHING & MODELING WHAT IS EXPECTED**
- ➡ **ACTIVELY ACKNOWLEDGING STUDENTS AS THEY MEET THESE EXPECTATIONS**
- ➡ **INSTRUCTIONALLY CORRECTING STUDENTS WHEN THEY ARE NOT MEETING EXPECTATIONS**

RESEARCH SHOWS THAT WHEN ACKNOWLEDGING BEHAVIORS AT LEAST THREE TIMES MORE OFTEN THAN CORRECTING MISTAKES, MISBEHAVIORS DECREASE SIGNIFICANTLY.

# SOCIAL EMOTIONAL LEARNING

**Campbell Elementary and Middle School** also continues to focus on Social-Emotional Learning (SEL); the process through which children and adults acquire and effectively apply the knowledge, attitudes, and skills necessary to understand and manage emotions, set and achieve positive goals, feel and show empathy for others, establish and maintain positive relationships and make responsible decisions (CASEL, 2017).

The OHIO Standards for SEL (K-12) can be viewed [here](#).

## **ESSENTIAL COMPONENTS OF SEL**

- ➡ **SELF-AWARENESS**
- ➡ **SELF-MANAGEMENT**
- ➡ **SOCIAL AWARENESS**
- ➡ **RELATIONSHIP SKILLS**
- ➡ **RESPONSIBLE DECISION MAKING**

## **BEHAVIOR LEVELS AND OUTCOMES**

The following level system will be utilized to determine potential outcomes for behaviors that do not meet building expectations. Repeated behaviors may increase leveled outcomes. Administrators may use their discretion for specific situations as they see fit.

- **Classroom Behaviors:** Failure to follow school or classroom rules and expectations.
- **Office Managed Behaviors:** Behaviors that endanger the safety or well-being of others or make normal classroom activities impossible.

## CONTINUUM OF OUTCOMES

### LEARNING OPPORTUNITY

A **Learning Opportunity** allows staff members to work directly with students to practice a skill and the expectation that they are struggling to demonstrate. The opportunity can be in the moment or delayed as it occurs at a time removed from an incident or situation. Examples may include a student practicing how to respond to a teacher in the classroom with compliance.

### PARENT CONFERENCE

Teachers or administrators may request a **parent conference** to discuss ongoing behaviors impacting the student's academic performance or the learning environment. These conferences are encouraged for full team awareness and support to help the student find success in the classroom.

### CLASSROOM CONSEQUENCE

A **classroom consequence** is an outcome that occurs at the teacher's decision following a choice made by a student. Should a student not meet the expectation set in the classroom, a logical consequence may follow and be given by the student's teacher. Examples may include changing seats or temporarily losing privileges in the room.

### LUNCH REFLECTION

A **lunch reflection** will have a student complete a reflection activity during their lunch period about a choice made during the school day. This reflection activity will encourage the student to reflect on the situation and identify the root of their choice and positive alternatives they can make in the future.

### ADMINISTRATIVE PRACTICE

**Administrative Practice** includes having an administrator assign a practice session about a student's behavior. This may result in a student practicing using kind words, using safe behaviors, or practicing expected behaviors. These sessions may range in time and occurrences and are only completed when the student demonstrates the behaviors successfully. These occurrences do not occur during instructional time; instead, they may occur during recess, lunch, or after school.

### AFTERSCHOOL DETENTION

**After School Detention** will have students stay after school for a set period of time and complete a reflection activity. Students will require transportation from their families/caregivers during this time and are not permitted to participate in after school activities. Students must complete the after school reflection activity to fulfill this assignment.

### IN-SCHOOL SUSPENSION

**In-School Suspension (ISS)** requires a student to serve the day within a designated location in the building. Students will work with an assigned teacher/staff member and be provided work from their teachers. Students are not permitted to join their peers in the classrooms or lunch area during this time. Students may also not join after school activities. Students may also be asked to complete a reflection activity during this assignment.

### OUT OF SCHOOL SUSPENSION

**Out of School Suspension (OSS)** states that students can not attend school due to their behaviors. The number of days of OSS may range anywhere from (1) to (10) days. Students may complete work missed when serving an OSS – they will have the same amount of days to make up missed assignments. Students may not participate in any school activities (i.e. sports, community events) during their suspension. Excessive behaviors may also include a recommendation for expulsion.

**There is zero tolerance for physical violence with intent to harm others.**

### RECOMMENDATION FOR EXPULSION

Students may be **recommended for expulsion** from school for specific behaviors that exceed the safety protocols of building expectations. Examples include physical assault on peers or staff, threats to others, threats of weapons or excessive harm, or repeated patterns of behavior that impacts the safety of others. This will result in a hearing with our Superintendent to determine the potential outcomes.

## Field Trip Permission Form

2023-2024

Campbell Elementary and Middle School uses a Positive Behavior Interventions and Support (PBIS) program to reinforce appropriate behaviors for students. The PBIS program is a proactive approach to school-wide discipline by creating a positive school culture with high expectations for behavior. Consequences will still occur for inappropriate behaviors; however, positive behavior will be rewarded..

In accordance with our PBIS system, students must demonstrate they are ready to learn according to classroom behavior plans. However, students may have field trip privileges revoked for the following reasons:

- The student has been assigned to In-School Suspension or Out-of-School Suspension for serious infractions during the grading period of the field trip.
- The student has been assigned multiple detentions during the field trip grading period.
- The student has demonstrated behavior that indicates it may not be safe for him/her to participate in the field trip.
- The student has not met the expectations set forth by his/her teacher(s).

This policy is in place to promote high standards of academic achievement, a safe environment conducive to learning, and to ensure the safety and security of students participating in off-campus activities.

Children that are prohibited from participating in educational field trips will be offered a similar learning experience on campus.

**Please read, sign, and return to your child's teacher before September 1, 2023**

I have read and discussed the Field Trip Policy and hereby give permission for my son/daughter to participate in field trips during the 2023-2024 academic year..

## School-Parent Compact

The purpose of the SCHOOL-PARENT COMPACT, found in Section 1118 of the Public Law 103-382, is to build and foster the development of a school-parent partnership to help all children achieve the State's high standards. It is the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective environment that enables the children to meet the state's student performance standards. Each parent is responsible for supporting their child's learning, such as monitoring attendance, homework completion, and television watching; volunteering in their child's classroom; and participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time.
