Student Fund-Raising Activities

The Board recognizes that students may wish to engage in fund-raising activities.

Student fund-raising activities must be for the support of the school mission. All fund-raising money must be deposited in the school activity accounts which shall be maintained according to standards and procedures established by the Superintendent or his/her designee, and these accounts shall be audited annually.

All fund-raising activities must be cleared by the Principal of the level involved and must provide some service given for the money received.

Fund-raising activities must be approved by the Principal (in two categories below); and then submitted to the Business Administrator for final approval:

1. Specific Group Fund-Raising: When a fund-raising activity is conducted by a specific school group as a one-time event, e.g., a dance, a bake sale, a car wash, every effort shall be made to encourage participation from all members of the group. Funds raised by the activity shall be devoted to reduce any expenditures the group may anticipate.
2. Incentive Based Fund-Raisers: Incentive-based fund-raisers are prohibited.
3. Door-to-door fund-raisers are prohibited.
4. Fund-raising activities must fall within the guidelines of the School District Wellness Policy EFA/JLCF (#5152).
