2021-2022 School Accountability Report Card

(Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

Mark Twain was established in 1950 in Lawndale, California. Since then, the school community has grown to serve over 596 students representing a diverse community with over 13 languages spoken in Transitional Kindergarten through 5th grade. Mark Twain develops students academically, socially and emotionally. Instruction is aligned to the California Common Core State Standards and fosters critical thinking skills and prepares students for college and career readiness. We house the District's Dual Immersion Program, designed to lead students to develop bilingualism, biliteracy and multiculturalism.

Parents and partnerships are vital to the student success at Mark Twain Elementary. Through our PTA sponsorship, our students receive amazing field trip experiences, have access to the latest technology, academic and fun family nights. In addition to this, Mark Twain has been designated as a National PTA School of Excellence and was awarded the 2019 Phoebe Apperson Hearst Award. We promote health and wellness by providing a weekly mileage club event on Fridays where families are invited to exercise together and encourage healthy eating by highlighting a fruit or vegetable each month. Our garden which is run through a partnership with Foodcorps, hosts outdoor lessons for all students. Students have opportunities to participate in our before/after school RAP (Realizing Amazing Potential) program, noon sport leagues, student council leadership, after-school enrichment classes, cross-age tutoring, and our Mark Twain mileage club. In addition to this, we have a partnership with P.S. Arts, where all students experience the arts through a 3 cycle rotation: art, music, an theater.

Mark Twain Elementary is truly a school that instills a genuine sense of pride and success shared by all - students, staff, parents, volunteers, and the community. We strive to promote academic success across all content areas, as well as promote the well-being of our students through positive behavior by practicing our school O.A.R.S. motto, "Outstanding Attitude, Respectful, and Safe."

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Lawndale Elementary School District reviews and updates its textbooks and instructional materials according to California Department of Education Regulations. All Williams legislation reports have found student access to textbooks to meet all requirements. A Social Studies series was adopted for the 2007-08 school year, Science textbooks and materials were adopted in 2008-09 and Language Arts textbooks and materials were adopted for the 2017-18 school year. Everyday Math from McGraw Hill was adopted for the 2015-16 school year from the most recent list of Common Core Standards materials by the California Department of Education. In addition to this, Estrellita/Lunitas is used in our Dual Immersion classes (K-1) for Spanish Language Arts.

School Facility Conditions and Planned Improvements

Mark Twain school facilities are about fifty years of age. The school was modernized during the 2002-2003 school year to upgrade infrastructure and classrooms.

Improvements made after Modernization

- Roof and new paint 2018
- Installation of filtered drinking fountain and bottle refilling station on 2017
- Complete Kitchen renovation completed in 2015
- HAVC will be installed for the 2020-21 school year

Measure L and ESSER funded facility Improvements 2017-2021

- Installation of new roof and gutters on permanent buildings and protective roof coating on portable buildings
- Painted exterior of all buildings, fences, and external metal surfaces
- New slurry coat on asphalt playground area 2019
- Replaced all HVAC heat pumps with new units throughout campus

Measure CL funded facility Improvements 2013-2018

- Interactive Projectors in all classrooms
- Wireless Access throughout entire campus
- High speed fiber backbone and new switchgear provide fast reliable internet access

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The Maintenance Department responds to our needs in a timely manner. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office and at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. The custodial staff cleans restrooms and classrooms daily as inspected by site administrators weekly.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	60	N/A	48	N/A	47

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

At Mark Twain, we believe that a strong partnership between school and parents is essential for student academic success. Below are school activities and workshops that are offered at our site:

- Each year in September, parents shall be invited to attend an annual Title 1 meeting on the rights of parents to be actively involved in supporting their children's academic achievement.
- Written notice of the meeting and information on Parent Involvement and our School-Parent Compact will be reviewed and updated at a SSC meeting each year. Once policy and compact are approved and revised, they will be posted on our school website and copies will be sent home to all families.
- Communication in both English and Spanish will be conducted via the Blackboard system along with dual language flyers sent home with students to inform parents of ongoing opportunities to be involved in activities at school. Events are also published on social media outlets.
- Communication is also shared via ClassDojo and social media platforms.
- All parents are encouraged to function as active members of our PTA, ELAC committee, and our School Site Council.
- EL Parent workshops and Reclassification workshops are offered to all EL parents as well as targeted groups. All parents are invited.
- With the support of our staff parent/community liaison, we aim to increase parent communication and participation and provide support to families in need.
- Parents will be kept informed regarding the progress of students in the core academic program, along with student support programs, classroom activities, and school events.
- We will use the results of an annually administered Parent Needs Assessment Survey to plan for informational meetings and workshops to address topics requested and needed by parents.
- A Family Nights committee addressing Parent Engagement topics will meet monthly to develop topics, venues, and activities to encourage and support parent involvement at our school both during and before and after school.
- We train and support parents in leadership roles to effectively serve on the PTA, School Site Council, ELAC Committee, and District Committees.

2022-23 Opportunities for Parental Involvement

- Mark Twain, encourages parents to participate in the school community throughout the year. Opportunities include Back to School Night, Open House, parent conferences, family nights, Coffee with the Principal, awards assemblies, Mileage Club, PBIS Workshops, and Loved One's Day.
- Parents can volunteer in the classroom, garden, Family Center, during events, on field trips, and with the PTA once they meet District policy.
- The PTA is very active in the school community and hosts monthly family nights and supports the school community.

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

2022-23 School Safety Plan

School safety is the number one priority at Twain. The school is a closed campus and gates remain locked during school hours. All parents and visitors are buzzed into the front office via a video monitoring system then must check-in through the office using Raptor Visitor Management System to access the school grounds. Noon duty supervisors oversee the children both before and after school and at lunch with the support of a social worker, interns, and administrators. Teachers supervise all students during recess.

Mark Twain School provides classrooms, staff rooms, and playgrounds that are safe and clean and support a positive environment for teaching and learning. Two full-time custodians and one .5 custodian perform basic cleaning operations at our school site. Classrooms are cleaned every other day and restrooms are cleaned daily. The District maintenance and grounds departments provide additional services as needed and maintain the grounds on a weekly basis. One .5 custodian at night support.

A Comprehensive Safety Plan is in place for our school. Key elements include emergency procedures, evacuation location, and assignment of personnel in a crisis. All emergency classroom and site supplies were updated this year. Emergency drills are performed monthly and the school participates in the Great ShakeOut preparedness drill. This plan is available in the school office. The Safety Plan was last discussed with all staff in October 2022 and safety continues to be a relevant topic throughout the year. The key components of the plan include three different drills and the chain of command in the case of an emergency. Also lists the various safe practices for students inside and out of the classroom. Universal bell schedules were implemented in 2004 so that emergency bell signals are the same at all schools. Each classroom has a safety backpack that stays with the teacher during emergencies. Emergency drills for fire, earthquake, lockout, and other emergencies are held on a regular basis.

Professional Development

The LESD Education Services team in collaboration with the Language Arts Specialists, Math TOSAs, English Language Instructional Resource Teachers and Principals have designed a comprehensive system for monthly professional development. All district professional development occurs on Thursdays after school following an early release day. Topics are selected based on expressed teacher need and identified student deficiencies. All professional development in the LESD focuses on meaningful collaboration, developing teacher capacity and the implementation of research based practices to support student achievement.

Professional development focuses on the instructional shifts needed to meet the rigorous demands of the Common Core State Standards and the need to support development of academic discourse for all students, with an emphasis on English language learners. All TK-5th grade teachers receive professional development support in the areas of social-emotional learning, Math warm-ups, and integrated ELD. Collaboration time is spent on data analysis and planning in the areas of English Language Arts, Math, and ELD. Teachers receive professional development in structured cycles that afford them the opportunity to learn about a new concept, plan for implementation with their colleagues, practice their learning with students, and then come back with their colleagues to discuss the strengths and weaknesses of their instructional implementation of the new skill.

Feedback about the effectiveness of the professional development is regularly collected to assess the effectiveness of the program and make changes as needed. Additionally, site staff members and Educational Services team members regularly visit classrooms to determine the level of implementation of the professional development focus.
