Child Find Rule 3301-51-03

Huber Heights City Schools wants to ensure all children below twenty-two years of age residing within the district who have a disability, regardless of the severity of their disability, and who are in need of special education and related services are located, evaluated, and identified. This includes children attending private schools or enrolled in parochial schools within Huber Heights.

For children ages three through five, a disability means a child has a documented deficit in one or more of the following developmental areas: communication, vision, hearing, motor skills, social/emotional behavioral functioning, self-help skills, and/or cognitive skills.

For school-age students, a disability means a student is identified as having one or more of the following conditions: autism, deaf-blindness, hearing impairment including deafness, intellectual disability, multiple disabilities, learning disability, orthopedic impairment, other health impaired, emotional disturbance, traumatic brain injury, and/or visual impairment including blindness. Children may have a disability and being in need of special education even though they are advancing from grade to grade.

Huber Heights City Schools offer evaluation services for all children with a suspected disability below age twenty-two. Once the school district is notified about a child with a suspected disability, the parent(s)/legal guardian(s) are contacted and informed of their rights as required by IDEA, Operating Standards for Students with a Disability and Model Procedures as adopted by the Board of Education.

The Huber Heights City Schools maintains an education management information system and submits data to the Department of Education. Pursuant to rule 330-14-01 of the Administrative Code.

If you know of a child with a suspected disability, please contact Kate Little, Director of Special Services and Section 504 Coordinator for Huber Heights City Schools at 937-237-6300.
