

BELLEVUE UNION SCHOOL DISTRICT

PURCHASE ORDER CONTRACT

This Agreement is made this 12th day of September 2023 by and between **Bellevue Union School District**, "District" and School Outfitters "Seller" with respect to the following recitals:

1. District is a public school district organized and existing under the laws of the State of California.
2. District desires to contract with Seller for the delivery of [*Office Furniture, Accessories and Installation*] ("Equipment") as quoted in Seller's Quote # QUO 11414193, which is attached hereto as Exhibit "A" and incorporated by reference.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein, the parties agree as follows:

1. Delivery of Equipment. Seller agrees to deliver the Equipment to District at the following address: [*Kawana Springs Elementary School, 2121 Moraga Drive, Santa Rosa, CA 95404*].
2. Time of Commencement and Completion. The Equipment shall be delivered in full to the District no later than February 1, 2024 ("Delivery Date"). Time is of the essence in this Contract.
3. Contract Sum. District agrees to pay Seller the sum of (\$53,102.80), following timely receipt of the Equipment and submission of an invoice to District.
4. Liquidated Damages. Seller agrees to deliver the Equipment to District pursuant to the terms of this Contract by the Delivery Date unless Seller receives a written extension of time for delivery from District. Seller's failure to deliver the Equipment on time shall subject Seller to liquidated damages. The actual occurrences of damages and the actual amount of damages which District will suffer if the Equipment is not delivered by the Delivery Date is dependent upon many circumstances and conditions and, from the nature of the case, it is impracticable and extremely difficult to fix the actual damages occasioned by delay. Damages which District would suffer in the event of delay include loss of use of the Equipment, disruption of school activities, cost of administration and the loss suffered by the public by reason of delay. Accordingly, the parties agree that the amount herein set forth as liquidated damages shall be presumed to be the amount of damages actually sustained by Seller's failure to deliver the Equipment by the Delivery Date.

The amount of liquidated damages to be paid by Seller to District for failure to deliver the Equipment on or before the Delivery Date will be N/A Dollars and 00/100 (\$ N/A) for each calendar day by which delivery is delayed beyond the Delivery Date, such amount being the actual cash value agreed upon as the loss to the District resulting from the Seller's default.

If Seller becomes liable for liquidated damages, District, in addition to all other remedies provided by law, shall have the right to deduct the amount owed as liquidated damages from the contract sum due Seller. In all events, Seller and its sureties, if any, shall remain liable to the District until all such liabilities are satisfied in full.

5. [Not used].

6. Indemnity. Seller shall defend, indemnify, and hold harmless District and its agents, representatives, officers, consultants, employees, Board of Trustees, members of the Board of Trustees (collectively, the "District Parties"), from and against any and all claims, demands, liabilities, damages, losses, suits and actions, and expenses (including, but not limited to attorney fees and costs including fees of consultants) of any kind, nature, and description (collectively, the "Claims") directly or indirectly arising out of, connected with, or resulting from any act, error, omission, negligence, or willful misconduct of Seller, or Seller's employees, agents, or volunteers (collectively, the "Seller Parties"), in the performance of or failure to perform Seller's obligations under this Contract or for any infringement of the patent rights, copyright or trademark of any person or persons in consequence of the use by the District of Equipment supplied pursuant to this Contract.

7. Transportation Charges. Seller agrees to deliver all Equipment prepaid unless otherwise specified. All costs for delivery and packaging of Equipment are the responsibility of Seller unless otherwise stated.

8. Inspection. All Equipment furnished must be in conformity with the specifications and Contract documents and will be subject to inspection and approval by the District after delivery. District reserves the right to reject and return at the risk and expense of the Seller any portion of the Equipment which may be defective or which fails to comply with the specifications in Contract documents.

9. Insurance. Without in any way limiting Seller's liability, or indemnification obligations set forth in Paragraph 6 above, Seller shall secure and maintain throughout the Term of this Agreement the following insurance: (i) comprehensive general liability insurance with limits of not less than \$ 1,000,000 in the aggregate; (ii) commercial automobile liability insurance with limits not less than \$ N/A in the aggregate, if applicable; and (iii) worker's compensation insurance as required by Labor Code section 3200, *et seq.*, if applicable. Neither Seller nor any of the Seller Parties shall commence performing any portion of the Services until all required insurance has been obtained and certificates indicating the required coverages have been delivered to and approved by District. All insurance policies shall include an endorsement stating that District and District Parties are named additional insureds. All of the policies shall be amended to provide that the insurance shall not be suspended, voided, canceled, reduced in coverage or in limits except after thirty (30) days' prior written notice has been given to District. If such a notice is not given or even if District receives a notice, District may, at its sole option, terminate this Agreement. All insurance policies shall include an endorsement stating that it is primary to any insurance or self-insurance maintained by District and shall waive all rights of subrogation against

District and/or the District Parties. A copy of the declarations page of Seller's insurance policies shall be attached to this Agreement as proof of insurance.

10. Independent Contractor Status. Seller is engaged in an independently established trade, occupation, or business to provide the Services required by this Agreement and is hereby retained to provide specialized services for District that are outside the usual course of District's business. Seller is free from the control and direction of District in connection with the manner in which it provides the Services to District. Seller understands and agrees that Seller and the Seller Parties shall not be considered officers, employees, agents, partners, or joint venturers of District, and are not entitled to benefits of any kind or nature normally provided to employees of District and/or to which District's employees are normally entitled.

11. Taxes. All payments made by District to Seller pursuant to this Agreement shall be reported to the applicable federal and state taxing authorities as required. District will not withhold any money from fees payable to Seller, including FICA (social security), state or federal unemployment insurance contributions, or state or federal income tax or disability insurance. Seller shall assume full responsibility for payment of all federal, state and local taxes or contributions, including unemployment insurance, social security and income taxes with respect to Seller and the Seller Parties and otherwise in connection with this Agreement.

12. Fingerprinting Notice and Acknowledgement. Seller and the Seller Parties shall at all times comply with the fingerprinting and criminal background investigation requirements of the California Education Code ("Education Code") section 45125.1, and shall complete the Fingerprinting Notice and Acknowledgement Form.

13. Tuberculosis Certification. Seller and the Seller Parties shall at all times comply with the tuberculosis ("TB") certification requirements of Education Code section 49406. Accordingly, by checking the applicable boxes below, Seller hereby represents and warrants to District the following:

A. Seller and Seller Parties shall **only have limited or no contact** (as determined by District) with District students at all times during the Term of this Agreement.

B. The following Seller and Seller Parties shall have **more than limited contact** (as determined by District) with District students during the Term of this Agreement and, at no cost to District, have received a TB test in full compliance with the requirements of Education Code section 49406:

_____. [Attach and sign additional pages, as needed.]

Seller shall maintain on file the certificates showing that the Seller and Seller Parties were examined and found free from active TB. These forms shall be regularly maintained and updated by Seller and shall be available to District upon request or audit.

Seller further agrees and acknowledges that all new personnel hired after the Effective Date of this Agreement by Seller and Seller Parties are subject to the TB certification requirements and shall be prohibited from having any contact with District students until the TB certification requirements have been satisfied and District determines whether any contact is permissible.

14. Confidential Information. Seller shall maintain the confidentiality of, and protect from unauthorized disclosure, any and all individual student information received from the District, including but not limited to student names and other identifying information. Seller shall not use such student information for any purpose other than carrying out the obligations under this Agreement. Upon termination of this Agreement, Seller shall turn over to District all educational records related to the services provided to any District student pursuant to this Agreement.

15. Assignment/Successors and Assigns. Seller shall not assign or transfer by operation of law or otherwise any or all of its rights, burdens, duties or obligations under this Agreement without the prior written consent of District. Subject to the foregoing, this Agreement shall be binding on the heirs, executors, administrators, successors, and assigns of the respective parties.

16. Severability. If any provision of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision of this Agreement.

17. Amendments. The terms of this Agreement shall not be waived, altered, modified, supplemented or amended in any manner whatsoever except by written agreement signed by both parties and approved by the governing board.

18. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California, excluding its choice of law rules. Any action or proceeding seeking any relief under or with respect to this Agreement shall be brought solely in the Superior Court of the State of California for the County of Sonoma, subject to transfer of venue under applicable State law, provided that nothing in this Agreement shall constitute a waiver of immunity to suit by the District.

19. Written Notice. Written notice shall be deemed to have been duly served if delivered in person to Seller at the address located next to the party signatures below, or if delivered at or sent by registered or certified or overnight mail to the last business address known to the person who sends the notice.

20. Compliance with Law. Each and every provision of law and clause required by law to be inserted into this Agreement shall be deemed to be inserted herein and this Agreement shall be read and enforced as though it were included therein. Seller shall comply with all applicable federal, state, and local laws, rules, regulations and ordinances, including but not limited to fingerprinting under Education Code section 45125.1, confidentiality of records, Education Code section 49406 and others. Seller agrees that it shall comply with all legal requirements for the

performance of duties under this Agreement and that failure to do so shall constitute material breach.

21. Non-Discrimination. There shall be no unlawful discrimination in the contracting of persons under this Agreement because of race, color, national origin, age, ancestry, religion, sex, or sexual orientation of such persons.

22. Attorneys' Fees. If any legal action is taken to interpret or enforce the terms of this Agreement, the prevailing party shall be entitled to recover reasonable attorneys' fees and other reasonable costs and expenses incurred in connection with that legal action.

23. Liability of District. Notwithstanding anything stated herein to the contrary, District shall not be liable for any special, consequential, indirect or incidental damages, including but not limited to lost profits in connection with this Agreement.

24. Time. Time is of the essence to this Agreement.

25. Waiver. No delay or omission by District in exercising any right under this Agreement shall operate as a waiver of that or any other right and no single or partial exercise of any right shall preclude the District from any or further exercise of any right or remedy.

26. Entire Agreement. This Agreement is intended by the parties as the final expression of their agreement with respect to such terms as are included herein and as the complete and exclusive statement of its terms and may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement, nor explained or supplemented by evidence of consistent additional terms.

27. Execution of Other Documents. The parties to this Agreement shall cooperate fully in the execution of any and all other documents and in the completion of any additional actions that may be necessary or appropriate to give full force and effect to the terms and intent of this Agreement.

28. Execution in Counterparts. This Agreement may be executed in counterparts such that the signatures may appear on separate signature pages. A copy, facsimile, or an original, with all signatures appended together, shall be deemed a fully executed agreement.

29. Warranty of Authority. The persons who have signed this Agreement warrant that they are legally authorized to do so on behalf of the respective parties, and by their signatures to bind the respective parties to this Agreement.

30. Safety Regulations. All equipment and supplies furnished, and/or all work performed, shall meet all applicable safety regulations of the Division of Industrial Safety of the State of California, and Health & Safety code of the State of California.

IN WITNESS WHEREOF the parties have executed this Agreement on the date first hereinabove written.

Porcelain Steel Magnetic Dry Erase Board w/ Aluminum Frame & Map Rail (10' W x 4' H)

The Learniture Porcelain Steel Magnetic Dry Erase Board with Aluminum Frame and Map Rail has a porcelain-on-steel dry erase surface that accepts magnets, so you can easily hang assignments, visual aids and art projects. A low-gloss writing surface offers greater contrast for better marker visibility, and it's resistant to ghosting, so your board stays looking like new for years to come. An aluminum frame and tray keeps writing supplies close at hand, and a black, EVA foam map rail at the top of the board provides additional display space. Mounting hardware and instructions included.
