Modified Sports

Philosophy Statement

Opportunity for 7-8th graders to represent our community in interscholastic competition. While we make every effort to provide opportunities for appropriate competition for each student, we are unable to provide “equal playing time” to all students in all situations.

Attendance

- **Excused absence:** Written notification to coach in advance of family, (non-elective) school or religious absence
- **Unexcused absence:** Any absence that had not had an accompanying written note from a parent/guardian in advance or other outside activities

Commitment

- > Attitude
- > Focus
- > Coachability
- > Sportsmanship
