Independent Study

Name: _____

School Year: 2020/2021

1st Semester: ___ 2nd Semester: ___ 3rd Semester: ___

An Independent Study is a project initiated by a student and supervised by a qualified individual. This plan allows a student to pursue a topic of personal interest. The commitment to the project is throughout the semester(s). Quarterly progress reports and grades are the responsibility of the faculty mentor. A written application to the independent study committee is required for approval of the project. A presentation, journal and log are to be submitted at the conclusion of the project.
