THIS AGREEMENT made by and between **BOARD OF EDUCATION OF HASTINGS-ON-HUDSON UNION FREE SCHOOL DISTRICT, TOWN OF GREENBURGH, WESTCHESTER COUNTY, NEW YORK**, hereinafter referred to as the "Board of Education", and the **HASTINGS TEACHERS ASSOCIATION**, hereinafter referred to as "Association".

WITNESSETH:

WHEREAS, the Association has been recognized by the Board of Education as the Exclusive representative of all persons on the teacher's salary schedule regardless of their title; and

WHEREAS, the Board of Education and the Association have entered into and concluded negotiations concerning the terms and conditions of employment of such persons and desire to reduce their understandings to writing;

NOW, THEREFORE, in consideration of the mutual covenants set forth below, **IT IS AGREED AS FOLLOWS:**

1. HOURS OF EMPLOYMENT

- A. School Day
 - 1. a) The school day is defined as being seven (7) hours and 5 minutes in length for Hillside School. (Time to be continuous.)
 - b) The school day is defined as being seven (7) hours and 10 minutes in length for the High School and the Middle School. (Time to be continuous.)
 - 2. The day shall start no earlier than 8:00 a.m. and no later than 9:00 a.m.
- B. The instructional day is defined as that portion of the school day during which there are scheduled classes.
- C. Music teachers who report early as an expected part of the school day shall not be obligated to remain for the 20 minute period after the end of the normal instructional day.
- D. No more than four (4) general faculty meetings or team meetings per month may be called after the termination of the school day. These meetings shall not extend more than one hour after the end of said day except by mutual agreement.
- E. On Friday and day preceding a holiday, attendance at after school meetings shall be at the teacher's option, except for emergencies.
- F. All teachers may be required to be available three (3) evenings during the school year. Every attempt will be made for evening meetings not to exceed two (2) hours in length for Back to School Night nights and parent teacher conferences. In addition, every attempt will be made for these meetings to end no later than 9:00pm. No meetings will be scheduled past 9:30pm. Every attempt will be made to have these nights on Thursdays or a night preceding a Superintendent's

Conference Day. Teachers' will be compensated at the rate of \$80 for the third night.

- G. Staff traveling between Hillside and the Farragut Complex must have a minimum of fifteen (15) minutes travel time whenever changing schools. Travel time is discrete from preparation, professional, or lunch time. In addition, reserved parking spaces will be provided for the shared staff.
- H. First-year teachers will not be asked to work on committees although they are free to volunteer to work on them.

2. SCHOOL YEAR

- A. The school year shall consist of no more than 186 days. There will be 182 instructional days, one orientation day, and three staff development days. The staff development days will allow for three (3) hours of professional development in the morning, a one hour and ten minute lunch and three (3) hours of professional development in the afternoon.

The Orientation Day will allow for three hours for welcoming and staff development, one hour 10 minutes for lunch, and three hours within the instructional day to be used exclusively for teachers setting up their classrooms.

Staff Development Days will be planned by the Staff Development Committee comprised of HTA members and administrators. The Staff Development Committee shall recommend to the Superintendent, no later than May 31st of each year for the following year, a proposal for the Staff Development Days.

3. TEACHER WORKLOAD

A high school academic teacher's instructional work load shall be a maximum of five (5) instructional periods per day in the high school. Every reasonable effort will be made to balance high school teacher preparations consistent with the nature of the subject area, the size of the classes, the special offerings of the department, and the special competencies of the teachers.

Assignments to co-curricular, extra pay and/or supervisory service shall be subject to the requirements set forth in Article 6 pertaining to preparation and professional time.

If continuous teaching time exceeds 180 minutes for K-5 teachers, teachers can, upon request, have a fifteen (15) minute break during that 180 minute period. For 6-12 instruction, every reasonable effort will be made to keep maximum continuous teaching time to four (4) 40-minute periods (or two 80-minute blocks).

- A. A teacher who is hired into a "leave replacement" position for period intended to be more than five (5) months will be hired under the

Collective Bargaining Agreement and receive all rights and protections thereunder.

- B. Regular Substitute teachers who serve in the same assignment for twenty (20) consecutive school days will be paid a daily rate retroactive to the first such day of such assignment using the step and column of the Teachers Salary Schedule (minimum BA1 or MA1).
- a) Upon the first day of the month following the 20th day of such assignment, such teacher will be paid an amount equal to 50% of the net savings on individual health premiums that would be expended on their behalf starting the next month, taking into account any retirement or social security that must be paid, should such be necessary. Regular substitutes are not eligible for health insurance and all personal days. However, a regular substitute will accrue 1 paid sick day per month up to 5 days.
 - b) A regular substitute will be paid the hourly rate applicable for that year for extra responsibilities beyond the regular workday (i.e. Back-to-School Night, Parent/Teacher conferences).
- C. Additional Teaching Assignment: When a HS teacher (7-12 certification) accepts a schedule of six (6) classes, the teacher shall be paid an additional amount above his/her salary equivalent to 20% of their individual teacher salary. When the sixth period class is not for the entire year, this amount will be prorated. The additional teaching assignment shall be subject to the following conditions:
- a) Both parties agree that the additional teaching period (as noted above) should ideally be a voluntary assignment. When a sixth teaching period position is anticipated, the position shall be posted according to current practice. Interested staff with the proper certification may voluntarily apply for the position. The administration may choose if there is more than one qualified candidate. Should no one volunteer, the administration may assign a staff member to the position with the following limitations:
 - i. Non-tenured staff members shall not be chosen to teach a 6th period class unless there is no other staff member with the proper certification.
 - ii. No full or part time bargaining unit members shall lose a position or be reduced as a result of the creation of additional teaching assignments.
 - b) It is understood that these assignments are for the purpose of short-term emergency leaves (i.e. mid-year, short term parental, emergency sick, etc.).

- c) The district must demonstrate that it exhausted all efforts to hire a short term qualified substitute teacher.
- d) It is understood if a teacher is assigned to a 6th period teaching class, it may be in conflict with other components of the HTA contract related to workload.
- e) All prep time and professional time will be honored.

4. CLASS SIZE AND TOTAL LOAD

The parties to this agreement recognize that optimum results in education are facilitated by the careful regulation of class size and teacher-student load. Consequent upon this, both parties agree that class size should be within the following ranges:

Grade	<u>Ideal</u>	<u>Desirable</u>	<u>Acceptable</u>
K - 4	Less than 22	22 - 24	25 - 27
5 - 8	Less than 24	24 - 26	27 - 30
9 - 12	Less than 24	24 - 26	27 - 30

Every reasonable effort shall be made by the Administration to keep the maximum total weekly load for academic teachers of grades 9 - 12 to 650, where this figure represents the product of the number of students the teacher meets weekly in class and the number of regularly scheduled class periods per week the teacher is assigned. The basis for such a numerically designated load shall be a 40 minute class period. Should the schedule be reorganized to produce changes in period length and frequency, the numerically designated load shall be adjusted proportionately. To the extent that scheduling of the 7th and 8th grade classes is comparable to the scheduling of the 9th through 12th grade classes, the Administration will make every effort to schedule the work of the 7th and 8th grade teachers so that their work load is comparable to that of similar teachers in grades 9 through 12.

If the sixth grade becomes fully departmentalized as grades 7-12 now are, then the above limitation shall apply to said grade.

In any instance where the above load is exceeded, written recognition of the fact shall be made to the teacher involved by the Administration and reasonable explanation of the extenuating circumstances resulting in such an overload shall be given to the teacher. Where the reason for a larger class is experimentation, the teachers involved and the curriculum committee shall be consulted, and their advice solicited, in planning such experiments.

Every reasonable effort shall be made to keep the class sizes within the acceptable-desirable range to equalize the weekly student load among the teachers within each high school department and each middle school or elementary school department or grade level.

Class size and teacher load as outlined above shall not apply to the K-12 specialized program of reading, reading lab, work study, music, physical education, art, library and

typing. The physical facilities in a shop, special classroom, or gymnasium shall be a major factor in determining maximum class size. Because of the safety issues involved in large group physical activities, every effort will be made to keep the ratio of teachers to students to 1:35 in physical education classes.

Every effort will be made to ensure that Speech Pathologists shall have a maximum teacher to student load of 1:40.

In determining the applicability of this paragraph to any teacher participating in team teaching, the number of pupils taught by any such teacher in a team teaching class shall be deemed to be the number of pupils in such class divided by the number of teachers.

Both the Association and the Board of Education recognize that the education of children with handicapping conditions who are classified by the CSE generally requires program modification and additional attention. With this in mind, it is understood that reasonable efforts will be made to provide for equitable distribution of students with handicapping conditions in elementary classes upon the condition that under no circumstances shall these efforts result in the District having to employ an additional teacher or staff or require the Board to retain teachers or staff who would otherwise be excessed.

Every effort will be made at the middle school and high school levels to place students classified by the CSE into classes which would be classified as ideal or desirable prior to the inclusion of these students.

Annually, the Superintendent of Schools or designee will meet with representatives of the Physical Education, Art, Business, Music, Home and Careers, Technology Departments and Library Media Specialist(s) for the purpose of attempting to develop teaching assignments for the school year that will require teachers in these departments and/or library media specialist position(s) to teach no more than 5.5 classes. However, it is understood that any recommendations which are the product of these discussions shall not result in the hiring of additional staff beyond current staff ratios.

Annually, the Superintendent of Schools or his designee shall meet with representatives of Special Education: Teachers, psychologist, and social workers for the purpose of discussing assignments for the coming year. However, it is understood that any recommendations which are part of these discussions shall not result in the hiring of additional staff beyond the current staff ratios.

Effective July 1, 2021, all unit members will be compensated at the curriculum rate for attendance at voluntary meetings outside of the school day, provided they receive approval for such attendance from the Assistant Superintendent of Curriculum and Instruction or his/her designee. This compensation does not apply to the four general faculty/team meetings per month (Article 1, Section D) and also does not apply to unit members in grade level coordinator positions when attending EDC (Hillside) meetings, to unit member in grade level coordinator positions when attending Team Coordinator meetings (Farragut MS) and/or to Department Chairpersons when attending Chair Council (HS) meetings.

5. NEW TEACHERS – PREPARATIONS AND MENTORING

- A. In order to establish a work situation most conducive to the successful development and integration of a new teacher, the Administration will make every effort to schedule the work load of those teachers who are in their first year at Hastings, and who have a total of less than three years teaching experience, so that they do not have more than three preparations in any one day, it being understood that every effort does not include hiring an additional teacher who would not have been employed had this provision not been in the contract.
- B. The New Teacher Mentor Coordinator (Schedule B) will develop a description of responsibilities for teachers who serve as mentors to new teachers. As needed, the New Teacher Mentor Coordinator will prepare a list of teacher volunteers for mentoring assignments. Teacher Mentors will receive one in-service credit for one semester of mentoring per year and will be required to participate in the Teacher Mentor Program offered by the Teachers Center during the semester they are mentoring.
- C. The parties agree that, upon the effective date of this Agreement, bargaining unit members who serve as mentors to new teachers pursuant to Article 5 of the CBA shall have the option of receiving fifteen hours of pay at the curriculum rate for one semester of mentoring per year as compensation for such service instead of receiving the one in-service credit as set forth in Article 5 of the CBA. The parties further agree that such payment shall be made within thirty (30) calendar days of the end of the mentoring assignment and the submission of timesheets showing time worked. Such payment shall be prorated as appropriate for mentoring assignments that are not completed.

6. PREPARATION TIME AND PROFESSIONAL RESPONSIBILITIES

High School

In the High School, classes are organized into 80-minute instructional periods meeting every other day. Each day has four 80-minute blocks with a 40-minute period in the middle of the day. In the items below, the 80-minute instructional period is referred to as a block.

It is understood:

- 1. Teachers cannot teach more than three blocks on any given day.
- 2. Teachers will not have any duties on those days when they teach three blocks.
- 3. Within the master schedule of eight blocks, one of those blocks will be assigned for professional duties and a separate block will be assigned for preparation time. Professional time and preparation time must be continuous within each of the assigned blocks.
- 4. When high school teachers receive their master schedule with their teaching assignments, it will designate what blocks are reserved for their professional and preparation periods. Coverages cannot be assigned during the designated preparation period.

5. Specials will not teach more than three blocks on any day of the schedule.
6. Every effort will be made to ensure that teachers on any day other than those with three instructional blocks will have a maximum of one 40-minute duty.
7. Academic Intervention Services will be treated as regular instruction and will be delivered during the regular instructional day.

Middle School

When Middle School teachers receive their master schedule with their teaching assignments, it will designate their professional and preparation periods. Coverages cannot be assigned during the designated preparation period.

A minimum of forty (40) minutes per day of continuous time during the regular instructional day is to be used as preparation time. Additionally, a minimum of forty (40) minutes per day of continuous time during the regular instructional day is to be used for professional responsibilities.

In grades 5-8, Academic Intervention Services will be treated as regular instruction and will be delivered during the regular instructional day.

Hillside

A minimum of three hundred eighteen (318) minutes per six day cycle with a minimum of thirty (30) minutes per day of continuous time during the regular instructional day is to be used as preparation time. Each teacher shall receive an uninterrupted lunch period each day. There are to be no duties at Hillside.

Definitions

Academic Intervention Services (AIS) - AIS will be treated as regular instruction and will be delivered during the regular instructional day.

Preparation time-Time used by teachers to prepare for teaching assignments.

Professional responsibilities-Time used by teachers to carry out professional responsibilities including, but not limited to, attendance and disciplinary reports, meetings with teachers, administrators, and other staff members, student and parent conferences, makeup testing, extra help for students, program evaluation, assembly and class trip preparation.

7. TEACHER PERSONNEL FILE

- A. Material originating after employment shall be placed in a teacher's personnel file only after a teacher has had the opportunity to review the material, submit a written notation regarding such material and have the notation attached to the file copy of the material in question.
- B. Before material is placed in a teacher's personnel file, a copy will first be given to the teacher.

- C. Any material critical of a teacher shall promptly be called to the attention of the teacher.
- D. A teacher shall have the right to review the contents of his or her personnel file originating after original employment and to have a representative of the Association accompany him or her in such review.
- E. If a teacher is requested to sign material to be placed in his or her file, such signature shall be understood to indicate his or her awareness of the material but in no instance shall said signature be interpreted to mean agreement with the content of the material.
- F. No material in the teacher's personnel file will be shown to anyone outside of the District Administrators or to the Board without the express written consent of the individual teacher involved.
- G. All material critical of a teacher that originates from sources other than the District's management personnel, will be removed from the teacher's file after three (3) years.
- H. The teacher shall have the right to question the factual accuracy of any derogatory material. Where any such question is raised, said material will not become part of the personnel file, unless the Superintendent, after investigation, has verified that the material is accurate.

8. **SUMMER SCHOOL APPOINTMENT** Teachers from the Hastings School District shall be given the first opportunity to apply when the summer school is run by the Hastings School District. The Board in its sole discretion shall make the final decision as to who is appointed to teach a course in summer school.

9. **SUMMER SCHOOL SICK LEAVE** Each teacher in summer school shall be entitled to one paid sick day.

10. **TEACHER EVALUATION** The Board, the Administration and the teachers all recognize the great importance to students, present and future, to the teaching profession, to the Hastings schools and teaching staff and to the community, of proper evaluation and training of, and, ultimately the granting of tenure to, probationary teachers and the proper evaluation of tenured teachers. The overall goal must be to grant tenure only to teachers who are highly qualified to be members of the teaching profession and to ensure that tenured teachers continue to perform at high levels. Every effort must be made, however, to assure that teachers get a fair opportunity to demonstrate their abilities and to correct any deficiencies.

With these objectives in mind, the school will adopt a teacher evaluation policy (see Appendix 1), which will provide the following minimum:

- A. If at any time during the probationary period, up until and including the recommendation for tenure, the Superintendent is requested by a teacher on probationary status to provide reasons for a negative recommendation regarding employment for the next employment period, the teacher may request the formation of an impartial advisory panel to review said reasons and to make a supplementary report to the Superintendent

with independent recommendations. This procedure shall also apply in case the Superintendent recommends continued employment and the Board rejects that recommendation.

- B. The panel shall be composed of three members; one to be selected by the Hastings Teachers Association, one by the Superintendent or designee, and a third to be by the other two. If those two fail to agree, a request shall be made to the AAA appointment of the third member from the expedited panel. Whenever possible, such review shall be completed within fifteen (15) working days from the time of the first meeting of the panel. All findings of the panel shall be placed in the teachers personnel file with the opportunity provided for rebuttal as in the case of the Superintendent's recommendation. The panel's recommendation to the Superintendent and the Board shall be advisory in nature. In any event, the decision of the Board shall be final.
- C. The district, after consultation with the teachers, will adopt a teacher evaluation policy (see Appendix 1) which will provide the following minimum:
 - 1. Immediately upon assuming duties in the school district and before any formal observations are conducted, first year probationary teachers shall meet with Administrators to be oriented as to the nature of their professional duties and the major features of the evaluation process. The Superintendent shall make at least one observation of probationary teachers during the first or second year.
 - 2. Each probationary teacher shall be observed by a member of the Administrative staff at the level of Assistant Principal or above, at least three (3) times each year, and at least one of these observations shall be for substantially a full class period (normal 40 minutes).
 - 3. If the Superintendent decides not to recommend tenure for a probationary teacher, and prior to the end of the probationary period of the teachers service, no indication has been given to him or her that his services are less than satisfactory, the Superintendent, or in his absence, the Acting Superintendent, before submitting his list of tenure recommendations to the Board that year, shall personally observe such teacher at work in the classroom for at least substantially one full class period.
 - 4. A probationary teacher denied tenure shall be given the reasons therefore by the Superintendent (teacher will be offered the ability to have an Association representative at said meeting). Such teacher, upon request, shall be permitted to appear before the Board with an Association representative for the purpose of obtaining a Board review of the issue. This review will be in a closed session of the Board. The teacher will receive an answer from the Board within two weeks of the above-mentioned review.
 - 5. If a probationary teacher is not to be recommended for tenure by the Superintendent, such teacher must be notified thereof by March 1. Each person who is not to be recommended for appointment on tenure shall be so notified by the Superintendent of Schools in accordance with existing statutes.

The Board expresses its very strong desire that any teacher evaluation policy, including the foregoing minimum, be fully and actively followed in spirit and in letter, and pledges to do its best to assure the implementation of that policy. However, notwithstanding the foregoing provisions above, given the Board's overriding responsibility and the concern for the education of our children over the decades following the granting of tenure to a teacher, the Board shall have the right to deny tenure to any teacher when, in its sole judgment, such denial is in the best interests of the education of the children.

11. SALARY PAYMENTS

Teachers are to be paid 1/26th of their annual salary every other week from September through June, and the remaining salary at the end of June.

A teacher, if he or she so elects, will have the option of receiving with his or her last salary check in January, an additional 2/26th of his or her annual salary; the last salary check of the school year shall then include the remainder of salary due him or her under this option.

To avail himself or herself of this option, a teacher shall notify the Superintendent in writing by January 1st of the year in which he or she elects the option.

A teacher may elect to receive 1/10th of his or her annual salary for each full month of service and to receive such 1/10th on the last working day of each month.

12. SALARY CREDIT FOR GRADUATE, UNDERGRADUATE AND IN-SERVICE COURSES

- A. Teachers are to receive salary increases for successful completion of approved graduate, undergraduate and in-service courses as specified on the salary schedule. Courses completed prior to a teacher's initial employment in the District, not approved for salary credit at the time of initial employment, shall not be eligible subsequently for such credit. A teacher who earns a new degree will be changed on the salary schedule beginning with the first full month of services after written notification and certified college records are submitted to the Superintendent of Schools. Changes in salary status because of additional training will be made only at the beginning of the school year in September. Teachers eligible for such adjustments must submit before September 30th of each year written application for such adjustments with notification of credits earned; certified college records are to be submitted as soon as possible thereafter. All other changes in salary status under this section will be made at the beginning of the following school year.
- B. In order to receive approval, a written application should be submitted prior to the commencement of such course to the department head, faculty group chairman or team leader in a particular school, then the school principal and the Superintendent. The final decision shall be made by the Superintendent. All transcripts for fall column advancement must be received by the District no later than October 1.
- C. In order to secure approval, it should be indicated in writing on the application form that the course:

1. Provides instruction in an area presently part of the teacher's teaching program, or in an area that the teacher can demonstrate will be part of his or her instructional program in the near future at Hastings.
 2. Must be shown not to be part of the teacher's prior academic training.
 3. Should the Superintendent disapprove a course, the teacher may request the Professional Standards Committee (P.S.C.) to review the application. At this time the teacher will appear before the P.S.C. to discuss the application. The P.S.C. then will vote and make a recommendation to the Superintendent either supporting disapproval or requesting that the Superintendent review his prior response to the application in the light of certain opinions of the P.S.C. The opinion of the Superintendent, however, will be final and binding.
 4. Credits for on-line courses for salary advancement will be granted for courses that meet accepted standards for professional development. Credit for on-line courses will be granted for courses that are from regionally/nationally accredited colleges and universities (DPOE recognized and/or CHEA recognized and/or NCATE or CAEP accredited) and/or programs with CEU credit and/or programs like New York's Teachers Centers, NYSUT, and/or other professional organizations (ie. New York State Art Teachers Association, National Council of Teachers of Mathematics, etc.). All other on-line courses will be subject to investigation and approval.
- D. College courses for teachers, once approved by the Superintendent, cannot be used in more than one application to the salary schedule. (More than one application means for column advancement more than once.) College units accrued prior to an advanced degree but not a part of the degree program per se and which have not been applied to the salary schedule may be used for possible application to the salary schedule upon submission to and approval of the Superintendent. College units previously approved which have not been applied to the salary schedule may also be so used. Such courses must be shown to be part of the teachers current assignment. All courses must be verified by the Superintendent with official transcripts and prior to any actual movement on the salary schedule must be approved by the Superintendent as complying with the provisions of this Article.
- E. Beginning on July 1, 2020, all members can advance one (1) column for salary advancement per year. Except in the case of advancement for Masters Degrees, NBCT and DR.

13. BENEFIT FUND

The Board shall make a lump payment to the Hastings Teachers Association Benefit Fund, representing the total payment for the entire bargaining unit, in the following amount.

2022-2023	\$370,000
2023-2024	\$395,000
2024-2025	\$410,000

These monies shall be transmitted to the Hastings Teachers Association Benefit Fund no later than October 15th of the appropriate funding year.

These monies shall be used to purchase benefits - such as dental plan, optical plan, increase other benefits, etc.

The external audit of the Benefit Fund will be provided to the District.

SICK LEAVE

A. Teachers hired on or before June 30, 2010 with more than five years of service in the District

Each teacher with more than five years of service in the School District shall be paid for days thereafter lost due to illness, up to 180 school days effective as of September 1, 1968, and this right shall automatically be granted to teachers who thereafter acquire more than five years of service in the District effective upon the date in which the teacher acquires more than five years of service in the District.

Salary paid to a teacher during sick leave shall be the amount which that teacher would have received for all of his or her services had he or she continued to work as scheduled at the time he or she became ill except that if, as a result of his or her illness, it becomes necessary to pay someone else to perform any work which the ill teacher has been scheduled to perform and for which payment is made in addition to the teachers basic salary for teaching, then the amount of salary paid to such teacher during the school year during which such illness occurs shall be reduced in the amount of such payment to such other person, but shall not be reduced by more than the amount of additional salary which the teacher was scheduled to be paid for such other work.

The 180 days of sick leave shall be reduced by one day for each day of sick leave taken. In the event that the 180 days of sick leave granted to any teacher is reduced pursuant thereto, the right to take sick leave shall be re-accumulated, up to a maximum of 180 days, at the rate of 10 days for each full school year thereafter during which that teacher carried out his or her assigned duties. In the event that any teacher takes sick leave for ten consecutive school days at any time or 40 school days in the aggregate during any period of 90 consecutive school days, the Board may, if it so elects, require that the teacher's doctor consult with and advise doctors selected by the Board and thereafter, if the Board so elects, it may require the teacher to be examined by doctors selected by the Board.

Teachers are required to furnish a doctor's certificate in cases of absences which extend beyond five (5) consecutive working days. Teachers may be asked to adhere to the same requirement for any sick day taken immediately prior to or immediately following any school break week. Sick days can be taken in increments of a half-day or a full day.

B. Teachers hired on or after July 1, 2010

- Each teacher commencing employment on or after July 1, 2010 shall accumulate sick days according to the following schedule:

Accrual rate for the first 12 years	Potential accumulation
15 days for the first year	
15 days for the second year	30 days
18 days for the third year	48 days
18 days for the fourth year	66 days
18 days for the fifth year	84 days
18 days for the sixth year	102 days
15 days for the seventh year	117 days

- 3.3 If a grievance affects a group of teachers or appears to the Association to be associated with system-wide policies, it may be submitted by the Association directly at Stage 2 described below.
- 3.4 The Board of Education and the Association agree to facilitate investigation which may be required and to make available any and all materials and relevant documents, communications and records concerning the alleged grievance.
- 3.5 At the Board stage an aggrieved party and any party in interest shall have the right to confront and cross-examine all witnesses called against him or her, to testify and to call witnesses on his or her own behalf and to be furnished with a copy of any minutes of the proceedings made at each and every stage of this grievance procedure.
- 3.6 No interference, coercion, restraint, discrimination or reprisal of any kind will be taken by the Board or by any member of the Administration against the aggrieved party, any party in interest, any representative, any other participant in the grievance procedure or any other person by reason of such grievance or participation therein.

- 3.7 Forms for filing grievances, serving notices, taking appeals, and making reports and recommendations and other necessary documents, will be developed by the Association. The Chief Executive Officer shall then have them printed and distributed so as to facilitate operation of the grievance procedure. (Printing costs will be shared.)
- 3.8 All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- 3.9 Nothing contained herein will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration and having said matter informally adjusted without intervention of the Association, provided the adjustment is not inconsistent with terms of this Agreement and the Association has been given an opportunity to be present at such adjustment and to state its views. In the event that any grievance is adjusted without formal determination, pursuant to this procedure, while such adjustment shall be binding upon the aggrieved party and shall, in all respects be final, said adjustment shall not create a precedent or ruling binding upon either of the parties to this agreement in future proceedings.
- 3.10 The grievant may choose whomever he or she wishes to represent him or her at Stages I, II and III of this procedure, except that such representative may not be a representative of a competing employee organization.
- 3.11 Any teacher to whom Stage I does not apply shall have immediate recourse to Stage II of the grievance procedure.

Section IV - Time Limits

- 4.1 Since it is important to good relationships that grievances be processed as rapidly as possible, every effort will be made by all parties to expedite the process. The time limits specified for either party may be extended only by mutual agreement.
- 4.2 No written grievance will be entertained as described below, and such grievance will be deemed waived unless written grievance is forwarded at the first available stage within thirty (30) school days after the teacher knew or should have known of the act or condition on which the grievance is based.
- 4.3 If a decision at one stage is not appealed to the next stage of the procedure within the time limit specified, the grievance will be deemed to be discontinued and further appeal under this agreement shall be barred.
- 4.4 Failure at any stage of the grievance procedure to communicate a decision to the aggrieved party, his or her representatives and the Association within the specified time limit shall permit the lodging of an appeal at the next stage of the procedure within the time which would have been allotted had the decision been communicated by the final day.
- 4.5 In the event a grievance is filed on or after June 1, upon request by or on behalf of the aggrieved party, the time limits set forth herein will be reduced pro rata so

that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as possible.

Section V - Stages of Grievance

5.1 Stage 1: Supervisor

- a) A teacher having a grievance will discuss it with his or her supervisor, either directly or through a representative, with the objective of resolving the matter informally. The supervisor will confer with all parties in interest but, in arriving at his or her decision, will not consider any material or statements offered by or on behalf of any such party in interest with whom consultation has been had without the aggrieved party or his or her representative present. If the teacher submits the grievance through a representative, the teacher may be present during the discussion of the grievance.
- b) If the grievance is not resolved informally, it shall be reduced to writing and presented to the supervisor. Within ten (10) school days after the written grievance is presented to him or her, the supervisor shall, without any further consultation with the aggrieved party or any party in interest, render a decision thereon, in writing, and present it to the teacher, his/her representative and the Association.

5.2 Stage 2: Chief Executive Officer

- a) If the teacher initiating the grievance and/or the Association are not satisfied with the written decision at the conclusion of Stage 1, a written appeal of the decision at Stage 1 with the Chief Executive Officer may be filed within ten (10) school days after the teacher has received such written decision. Copies of the written decision at Stage 1 shall be submitted with the appeal.
- b) Within ten (10) school days after receipt of the appeal, the Chief Executive Officer, or his duly authorized representative shall hold a hearing with the teacher, his or her representative and all other parties in interest.
- c) The Chief Executive Officer shall render a decision in writing to the teacher, his or her representative and the Association within ten (10) school days after the conclusion of the hearing.

5.3 Stage 3: Board of Education

- a) If the teacher and/or the Association are not satisfied with the decision at Stage 2, an appeal may be filed in writing with the Board of Education within fifteen (15) school days after receiving the decision at Stage 2. The official grievance record maintained by the Chief Executive Officer may be available for the Board of Education.
- b) Within ten (10) school days after receipt of an appeal, the Board of Education or a committee thereof shall hold a hearing on the grievance. The hearing shall be conducted in executive session.

- c) Within ten (10) school days after the conclusion of the hearing, the Board of Education shall render a decision, in writing, on the grievance. Such decision shall be promptly transmitted to the grievant and all parties in interest.

5.4 Stage 4: Arbitration

- a) If the Association is not satisfied with the decision of the case at Stage 3, or if no decision has been rendered within ten (10) school days, the Association may within ten (10) school days of the Board's decision or twenty (20) school days of its meeting with the Board, submit the grievance to arbitration by written notice to the Board. A demand for arbitration must be filed with the American Arbitration Association within twenty (20) school days of the Board's decision at Stage 3.
- b) After the demand for arbitration has been made, the parties agree to be bound by the Rules of the American Arbitration Association.
- c) The Expedited Labor Arbitration Rules of the American Arbitration Association will be used upon mutual agreement.
- d) The power of the arbitrator stems from this agreement and his or her function is to pass upon alleged violations of this agreement and any disputes with respect to its meaning or application. He or she shall have no power to add to, subtract from or modify any of the terms of this agreement, nor shall he or she have any power or authority to make any decision that requires the commission of any act prohibited by law or that is violate of any of the terms of this Agreement. However, none of the above shall be interpreted so as to prohibit the arbitrator from determining an appropriate remedy if he or she finds a violation of the agreement.
- e) The decision of the arbitrator shall be submitted to the Board and the Association, and subject to law, shall be final and binding on all parties to the proceeding during the duration of this Agreement.
- f) The Board and the Association agree that they will be bound by arbitrators' decision previously rendered in all substantially similar situations.
- g) Should any costs arise for the services of an arbitrator, they shall be borne equally by the Board and the Association.

30. **NOTIFICATION OF ASSIGNMENT**

As early as possible and desirably prior to the 1st of June, teachers will be informed of their assignments for the following September. Notification will include the following information:

1. Subject(s) to be taught;
2. Grades of subjects to be taught;

3. Specialized duties or assignments including homeroom, or other educationally oriented tasks;
4. Any additional available and necessary information which the teacher might reasonably require in making plans for the assumption of the responsibilities of the assignment.

If there is a significant last minute change, a conference between the principal and the teacher will take place to discuss the change.

31. COMPOUND SESSIONS

In the event of double session, split sessions, overlapping sessions or any other sessions other than those covered by this agreement, all attendant working conditions will be re-defined only by mutual agreement.

32. SAVINGS CLAUSE

If any provision of this contract shall be held contrary to law, then such provision shall not be applicable or performed or enforced, except to the extent permitted by law. Substitute provisions shall be negotiated by the parties in such a manner as to retain the equities of the original provision. All other provisions of the contract shall continue in effect.

33. LUNCHTIME DUTIES

Cafeteria duty will be supervised by one individual at Hillside only if there is a teacher volunteer, two per lunch period at the Middle School, and one at the High School as per Schedule B. Exceptions will be mutually agreed upon by the Association and the Administration.

34. NO DISCRIMINATION

As per its obligations under law, the Board of Education agrees that it will not discriminate on the basis of race, gender, religion, age, sexual orientation, marital status and national origin. Nothing in the foregoing sentence, however, shall operate to deprive the Board of any rights it may have under the New York State Teachers Retirement System Law.

35. JOB SECURITY

A teacher who has been excessed due to the elimination of positions may submit an application for a vacant position(s) in the District at the time of his or her excessing provided that he or she possesses adequate preparation for the position(s) in question and is also in possession of an appropriate teaching certificate. Notice of available positions will be given directly to excessed teachers as they become known to the District. Applications by interested teachers must be made within ten (10) school days of such notice.

An excessed teacher who indicates an interest in vacant positions and who is qualified as set forth above will be given first consideration for the vacant positions for which he or she has shown an interest. If the excessed teacher is not hired into a vacancy he or she will be provided first opportunity for per diem substitute service.

36. STUDENT DISCIPLINE

A teacher may refer to the building principal or his or her designated representative any pupil whose conduct disrupts the learning process of the class. As soon as possible and, when feasible, no later than one full school day after such referral is made, the teacher initiating the referral shall present to the principal a written report of the incident. Within 10 school days the principal shall inform the teacher of the disposition of the incident.

37. DUES DEDUCTION AND AGENCY SHOP

A. Dues Deduction

Dues deduction as authorized and certified by the HTA shall be continuous unless revoked by the member of the bargaining unit. HTA members will pay their dues via payroll deduction, unless notified by an authorized statement signed by the HTA member. All payroll deduction exemption notifications must be submitted to the HTA Treasurer.

1. The District agrees to remit to the HTA all monies deducted within a month after said deductions are made. The HTA agrees to indemnify the District and save it harmless from liability that may arise from deductions made pursuant this provision. The HTA shall notify the District annually of the amount to be deducted for each member.
2. Payroll deduction of HTA dues will begin on the second payroll date and continue for 10 consecutive pay periods. Any teacher beginning their assignment after the start of the school year (i.e. Leave Replacements, teacher returning from leave, or substitute teachers becoming bargaining unit members) shall have their HTA dues deducted beginning with their second pay period.
3. HTA member contributions for VOTE-COPE will be collected biannually – January and June – via payroll deduction, unless notified by an authorized statement signed by the HTA member. VOTE-COPE contributions will appear as a separate line item for payroll processing purposes.

B. Agency Shop

The District shall deduct from the wage or salary of employees in the bargaining unit represented by the Hastings Teachers Association who are not members of the Hastings Teachers Association/New York State United Teachers/and American Federation of Teachers the amount equivalent to the dues levied by the Hastings Teachers Association, New York State United Teachers/and American Federation of Teachers and shall transmit the sum so deducted to the Hastings Teachers Association, in accordance with Chapters 677 and 678 of the Laws of 1977 of the State of New York. The monies so deducted shall be transmitted to the Association at the same time and in the same manner as dues deducted from the Association members.

1. The Hastings Teachers Association affirms that it has adopted such procedure for refund of agency shop fee deduction as required in Section 3 of Chapters 677 and 678 of the Laws of 1977 of the State of New York.
2. The Association agrees to indemnify the District and save it harmless from liability that may arise from refunds of agency shop fee deductions made pursuant to this provision.
3. The Association shall notify the District annually of the amount equivalent to the annual unified dues to be deducted for each non-member.

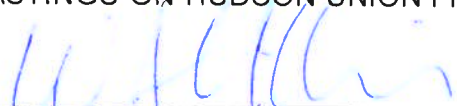

38. DURATION

This agreement shall become effective on July 1, 2022 and shall remain in effect through June 30, 2025. Thereafter, it shall continue in effect unless and until amended or superseded. Any amendments to the Agreement must be in writing and signed by both parties.

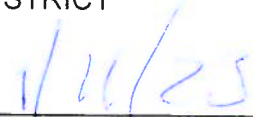

IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFORE SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.

IN WITNESS WHEREOF, this Agreement has been signed on the date below written.
