### January Reads from Sora

Click the books below to borrow from Sora!

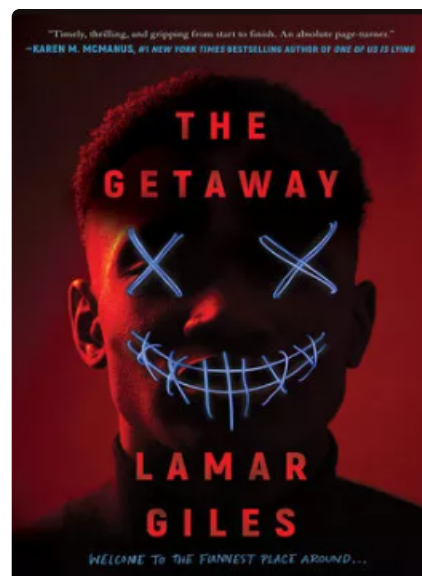

#### Gideon the Ninth by Tamsyn Muir

I read this over break and it was a wild ride! Part fantasy, part sci-fi, and part mystery, this is the first in a series and it does NOT disappoint. If I say anymore, I will give it away!

#### A Scatter of Light by Malinda Lo

One of NPR's best books of 2022! The companion to Last Night at the Telegraph Club, Malinda Lo does it again with the beautiful coming of age

#### The Getaway by Lamar Giles

One of NPR's best books of 2022! This horror book tells the story of vacation gone wrong and is a page turner from beginning to end!

novel set in the Bay Area. A must read!

## New! New! New!

We have so many new books coming into the library on a regular basis in hard copy, eBook, or audiobook. Come check out our new book display to the right when you first walk in or look in Sora. Looking for something we don't have? Fill out the resources request form below (or on the library website) and let us know!

Come puzzle with us! Escape the winter doldrums and help us create a beautiful vista of Santorini with our 1,000 piece puzzle. Find the puzzle table directly to the left of the circulation desks in front of my desk.

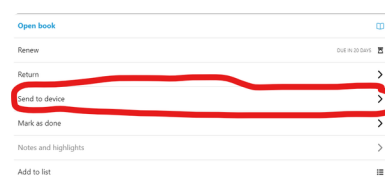

## Makerspace for January

Come participate in our January makerspace. Stop in to create some origami to celebrate the Lunar New Year or create a corner bookmark to use while you are reading one of our wonderful books. All supplies are provided!

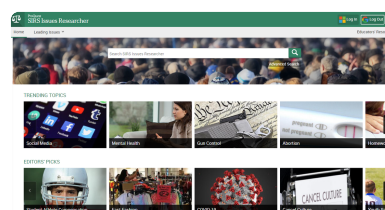

## Did You Know?

Did you know you can export books from Sora to your kindle? From your "shelf" menu at the bottom of Sora, select "options" next to your borrowed book. In the new menu, select "send to device" and then "Send to Kindle." Sign in with your amazon account, and your book will appear on your Kindle!

## Database of the Month

Proquest SIRS Issues Researcher provides pros and cons on political and social issues from sources such as newspapers, magazines, journals, and other relevant, credible documents. You can find this database on [Library.fyi](http://Library.fyi) under "Controversial and Timely Topics." Check it out!

## Collaboration Corner

Right before break, Dan Hornick's government classes worked on a public policy project that utilized library databases and NoodleTools to research and create a slideshow on a public policy

issue. Mr. Hornick and I worked together in his classroom to co-teach 4 blocks for each of his classes.

We had many other exciting projects this month as well! Contact me if you need me to pull resources, want me to teach a lesson, are interested in some book talks, or if you want to collaborate on a multi-class project! There is nothing too big or too small.
