

<b>3281</b>	<b>Accessibility of District Fields and Facilities</b>
-------------	--

The Coordinator of Facilities and Security in consultation with the building principal(s), Head Groundskeeper and Athletic Director has discretionary authority concerning the use of outdoor fields and facilities (e.g., tennis courts, track, and playgrounds) will be opened for use by students, staff, and community groups. Maximizing access while ensuring the health and safety of those using the facilities, and proper field conditions will be the key determinants in providing access. Should fields and facilities be closed for use by the community and/or students, appropriate signage will be posted.

The Superintendent of Schools shall prepare and maintain rules and procedures including communications for the use of school fields and facilities. Procedures will be posted on the District's website.
