

<b>4240</b>	<b>Evaluation of the Superintendent</b>
-------------	---

The Board of Education will conduct annually a formal performance evaluation of the Superintendent as stipulated in the terms of the contract with the Superintendent of Schools and the completed evaluation report will be entered into the Superintendent of School's permanent record file. The formal procedures used to complete the evaluation are to be filed in the District Office.

The formal performance procedures will include written criteria, a description of the review procedures, provisions for post-conferencing, and methods used to record results of the evaluation. The Superintendent will be granted the opportunity to respond to the evaluation in writing.
