

8220	Vocational Education
-------------	-----------------------------

In order to provide a comprehensive program of instruction, the Board of Education supports the availability of vocational education for students of the Ballston Spa Central School District. The provision of these services may be through District operated programs or through contract with the Board of Cooperative Education Services (BOCES) or other appropriate agencies providing vocational education. The decision to operate a program directly or contract for its provision shall rest with the Board of Education.
