

<b>8240</b>	<b>Provision of Services to Children with Special Talents</b>
-------------	---

The Ballston Spa Central School District has an obligation and desire to educate each of its students so as to fulfill that child's unique potential. Student's exceptional abilities include but are not limited to special talents in: general intellectual ability, specific academic aptitude, creative thinking and expression, leadership ability, interpersonal skills, and the performing and fine arts.

Instructional resources will be provided, as necessary, to provide appropriate instruction to maximize the potential of all students, including those with special talents and abilities. By providing appropriate instruction and challenge for these students, we enrich and develop the lives of these individuals as well as our greater society.
