

Academic Performing Ensembles and Labs

Performing ensembles are 60 minute rehearsals, meeting 3 times out of the 4 day rotation. All students have a 30 minute lab once a week. This is during the academic school day outside of their rehearsal rotating through multiple classes so they do not miss the same class each week.

Supplemental Groups Choir

With the schedule it was not possible for students to participate in both an instrumental ensemble and vocal ensemble. Students can now sign up for supplemental choir if they are a member of band or orchestra. Every B Day they join the choir rehearsal instead of their regularly scheduled instrumental ensemble, learning the music and performing with the choir in the concerts.

Jazz Band

In high school, band, choir, and orchestra students also have the opportunity to participate in jazz band during their regularly scheduled rehearsal (cannot do both an instrumental, SUP choir and jazz band).

Participation in these groups are at the discretion of the teacher and requires a contract signed by the student and parent/caretaker.
