Dear Parents and Carers

I am writing today with information about secondary school applications. It is important to be aware that parents of children in Year 6 **must apply for a secondary school place by 31<sup>st</sup> October 2023.**

To apply for a school place, visit the Slough Citizen Portal which can be found at [www.slough.gov.uk/school-admissions](http://www.slough.gov.uk/school-admissions). You must indicate your 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> preference of school before the closing date. If you do not complete the form in time, it is likely that you will not be offered the school of your choice and may be allocated a place at a school that was not one of your chosen preferences.

If you do not live in Slough, you must apply to the local authority where you live.

When considering school options, it is worth noting that we in the same Multi-Academy Trust as Slough and Eton C. of E. Business and Enterprise College, which means that children from Colnbrook get preference over children from other schools in certain circumstances due to this link.

In previous years, children have moved on to a number of different schools in the local area, and we have listed some of those school's open events below. Do take time to look at schools that might be best for your child. Many schools offer alternative visits if you cannot make the open day events. Please contact the individual schools to arrange this.

If you have any questions about secondary admissions, please contact Slough Borough Council directly as we are not able to answer queries regarding other schools.

Yours sincerely,
