

“Believe you can and you’re halfway there. ~Theodore Roosevelt

And now for some announcements...

- Attention all students who drive to school: Soon parking permits will be required. You can get your permit stickers starting today in the Career Center during lunch and after school only. Permits are free but you will need to show your driver's license and proof of vehicle insurance to receive one.
- Congratulations to Rylie McInturf for being named the Taco Bell Las Plumas Athlete of the Week. Rylie is a standout player on the JV volleyball team. She has a great attitude and is a perfect example of putting team before self.
- Seniors! Please remember to stop by the student store to sign the senior shirt!
