1. Public Hearing to Gather Input on Draft Trustee Area Boundary Maps

Description & Rationale

Board members are currently elected in “at-large” elections, where each member is elected by voters throughout the District. The California Voting Rights Act (CVRA) prohibits the use of “at-large” elections in certain circumstances. “By-trustee-area” elections, in which members are elected by voters in geographical subdivisions of the jurisdiction, are immune from challenge under the CVRA and may provide additional opportunities for candidates from across a jurisdiction to seek election. At its November 17, 2021 meeting, the Board adopted a resolution indicating its intent to transition from at-large to by-trustee area elections.

The law requires the Board hold at least two “pre-map” public hearings prior to the development of any maps. On February 16, 2022, the Board held its first public hearing, and on March 16, 2022, the Board held its second public hearing, as part of the process to adopt a trustee area boundary map in order to transition from at-large to by-trustee area elections. At each pre-map public hearing, the public was asked to provide input regarding the composition of potential trustee area boundaries. At the first meeting, the Board received additional information about the planned process and timeline to develop trustee area boundary maps, including a presentation by the District’s legal counsel. At the second meeting, the Board received additional information about the criteria for map development, including a presentation by the District’s demographer, Cooperative Strategies.

The law requires the Board hold three public hearings prior to the approval of any boundary maps. At tonight’s meeting, the Board will hold its first public hearing regarding draft trustee area boundary maps. During this hearing, the public is asked to provide input regarding the composition of trustee area boundaries. Also during the hearing, the Board will receive information regarding the draft trustee area boundary maps from its demographer. The Board may then provide direction regarding the draft maps.

The Board will hold its second public hearing on revised draft trustee area boundary maps on April 20, 2022 and its third and final public hearing on May 18, 2022. More information about this process and future hearings is available on the District's website.

Note: The maps have been sent to every parent via ParentSquare and have been posted on the district website and social media.

Recommendation

The Superintendent recommends that the Board receive additional information about the process and proposed trustee area boundary maps then open a public hearing to gather any public input regarding the proposed maps.
