Associate in Science Notes

- **Additional General Education Hours - An additional 11 SHC of courses should be selected from courses classified as general education within the Comprehensive Articulation Agreement (CAA). Students should select these courses based on their intended major and transfer university and availability of courses in the AS at their local college.
- *** The following course is required: ACA 122 College Transfer Success (1 SHC). An additional 14 SHC of courses should be selected from courses classified as pre-major, elective or general education courses within the Comprehensive Articulation Agreement. Students should select these courses based on their intended major and transfer university. It is recommended that ACA 122 not be taken in the first two years of study. Students need time to explore their career path and select two or more possible universities they are interested in before taking ACA 122.
