Dear BPS Community,

Welcome to the 2023-24 school year!

September is a month of new beginnings. Whether your child is new to Brockton, joining a new school, or seeking out new academic challenges in their current school, we are honored to be your family's partners in learning.

The district is entering year two of its five-year strategic plan, as well as year two of its commitment to helping 90 percent of students achieve academic proficiency in five years. Building a better school district requires a shared sense of responsibility for student achievement. I believe in the collective strength of this community, and it is incumbent upon me and my leadership team to engage all stakeholders in this work.

We will keep you informed throughout the school year via text message and email. Please ensure your contact information is up to date by completing your child's handbook forms. You may also text 67587 to opt into receiving text messages from the district. Additionally, you may subscribe to this calendar on your phone by visiting [bpsma.org/calendars](https://bpsma.org/calendars).

Thank you,

Michael P. Thomas  
Superintendent of Schools
