Blue Ribbon Collection Overview

The Blue Ribbon Collection is an intentionally chosen collection of student artwork across all three divisions that best captures and celebrates the mission of our visual art department at Charlotte Christian School.

As we seek to raise up Christ-centered students with a joyful awareness of their God-given artistic talents, the artwork in this collection especially highlights the growth, skill, creativity and mission statement of our school to integrate biblical truth and learning into our daily lives and to impact the culture for Christ. While the artwork may not be overtly religious in content, the echoes of truth, beauty, and creativity that radiate from our ultimate Creator shine through each piece of art in the collection.

This collection will be on display in the Huge Gallery for the duration of the 2023-24 school year where it will be viewed by current families, prospective families and countless other guests who visit our campus. It is our sincere prayer that the Lord will use the artwork in this collection to speak into the hearts of those who interact with it.
