

Union County Educational Services Commission
Asbestos Management Plan Notification
2023 - 2024 School Year

August 1, 2023

Dear Parents, Guardians, and Staff Members,

This letter is being distributed to comply with the annual notification requirements of Public Law 99-519, the Asbestos Hazard Emergency Response Act (AHERA).

All school buildings within the Commission have been inspected for building materials that are suspected to contain asbestos. A periodic surveillance to detect any deterioration in the materials that contain asbestos will be carried out every six months. Every three years, building materials containing asbestos will be re-inspected by an accredited inspector. This plan for re-inspection meets the requirements of the AHERA Law.

A comprehensive report of the asbestos inspection is available for review Monday – Friday between the hours of 8:30 a.m. – 4:30 pm (by appointment only) at the following locations:

Hillcrest Academy North Campus, 2630 Plainfield Ave, Scotch Plains, N.J. 07076
Union County Educational Services Commission, 45 Cardinal Drive, Westfield, N.J. 07090
Clark Township Department of Recreation, 430 Westfield Ave, Clark, N.J. 07066

Please contact the Office of the UCESC Business Administrator/Board Secretary at (908) 233-9317 x1009 with any questions you may have about the Asbestos Inspection Report/Management Plan.
