Welcome to the Barre Unified Union School District!

Our supervisory union consists of the Barre City Elementary & Middle School, Barre Town Middle & Elementary School, Spaulding High School, and the Spaulding Educational Alternatives. We serve over 2,400 students ranging from PreK to high school, and the District employs over 550 full time faculty and staff district wide.

The District's mission is to focus on teaching our students to be literate, critical-thinking problem-solvers who can collaborate and communicate, not simply to be standardized test takers. We strive to provide them with education that allows them to leave our schools career and college ready. We appreciate your willingness and dedication to our students. In assisting us to provide a quality educational experience for our students in the absence of their regular paraeducators and teachers and support staff.

We have created this handbook to provide you with helpful information to make your substitute experience both enjoyable and rewarding. The substitute handbook contains general information about substituting in our district schools, as well as general expectations. Please familiarize yourself with its contents before substituting at our schools.

You are also invited to visit any of our schools to become better acquainted with the faculty and staff, building layout and operations of the schools. If you have questions about a particular school that are not addressed in this handbook, please feel free to speak to the school Substitute Coordinator. They would be more than happy to assist you.

As a Substitute Teacher, you will benefit from the advanced preparation that is done by the teachers in the BUUSD. You should find classrooms that have been organized for maximum student benefit, and you should find lesson plans that will help you make the day an effective educational experience for the students in your care.

We consider you a valuable member of our team. Our schools cannot function smoothly without the assistance and expertise of substitutes. We hope your experience at our school(s) is both rewarding and enjoyable. We look forward to another great year at the BUUSD.

Sincerely,

Carol Marold

Director of Human Resources

Introduction

This Substitute Handbook is a compilation of personnel policies, practices and procedures currently in effect for substitutes within the Barre Unified Union School District (hereinafter referred to as “BUUSD”) and its member schools of Barre City Elementary and Middle School, Barre Town Middle and Elementary School, Spaulding High School, and Central Vermont Career Center. Unless otherwise specified, all references to the “BUUSD” will assume inclusion of these member schools and the BUUSD. The handbook is designed to introduce you to our family of schools, familiarize you with our common policies, procedures and practices and help answer many of the questions that may arise in connection with your employment.

Your employment with the District is considered a variable day, “At-Will” This means that as a Substitute, you have the right to limit your assignment to a specific school(s) or specific category of jobs. You have the right to decline or accept jobs, for any reason, or no reason at all. You may have your name removed from the district substitute list for any reason, at any time. Likewise, the superintendent (or his designee) reserves the right to limit your assignment(s) or remove your name completely from our substitute list at his discretion at any time for any reason, or for no reason at all, without notice.

This handbook does not create a contract, express or implied, guaranteeing you any specific term of employment, nor does it obligate you to continue your employment for a specific period of time. The purpose of the Handbook is to provide substitutes with convenient explanations of present policies and practices in the BUUSD, and is intended to be an overview or a guideline rather than cover every matter that might arise.

Copies of complete policies that have been approved by the BUUSD board can be found online at BUUSD.org. The BUUSD reserves the right to modify any of our policies and procedures covered in this handbook at any time. We will seek to notify you of such changes by email and other appropriate means. However, such a notice is not required for changes to be effective.

Communications and Open Door Policy

One of BUUSD’s objectives is to maintain productive and positive relationships between staff members. Our substitutes are one of our most important resources. In order to maintain quality relationships, and positive substitute relations, we have an “open door policy” at all levels of management. Substitutes are encouraged to express their opinions, concerns, and suggestions directly to an administrator, the Substitute Coordinator or to the Human Resources Department. The BUUSD is eager to assist in the resolution of substitute concerns, and to consider ideas for making our district even better. No manager or other representative of the BUUSD, other than the Superintendent or designee, has authority to enter into any agreement guaranteeing employment for any specific period. No such agreement shall be enforceable unless it is in writing and signed by the superintendent or other named designee.

Equal Employment Opportunity

The Prevention of Sexual Harrassment as Prohibited by Title IX can be viewed in full here: <https://www.buUSD.org/district/policiesprocedures> under Policy C 12.

The BUUSD is an equal opportunity employer. We will extend equal opportunity to all individuals without regard to race, religion, color, sex (including pregnancy), national origin, disability, age, genetic information, marital status, sexual orientation, ancestry, gender identity, place of birth, HIV status, or any other status protected under applicable federal, state or local law. This policy applies to all terms and conditions of employment, including but not limited to: hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, benefits, compensation, and training. Our policy reflects and affirms our commitment to the principles of fair employment and the elimination of all discriminatory practices.

If you believe that an employment decision has been made that does not conform with management’s commitment to equal opportunity, you should promptly bring the matter to the attention of the Director of Human Resources. Your complaint will be thoroughly investigated. There will be no retaliation against any employee who files a

complaint in good faith, even if the result of the investigation produces insufficient evidence to support the complaint.

Discrimination Against Individuals with Disabilities

The Federal Americans with Disabilities Act (ADA) and State law prohibit discrimination against qualified individuals with disabilities in job application procedures, hiring, firing, advancement, compensation, fringe benefits, job training and other terms, conditions and privileges of employment. The ADA does not alter the BUUSD's right to hire the best-qualified applicant, but it does prohibit discrimination against a qualified applicant or employee because of his or her disability, or because of a perceived disability. As a matter of policy, the BUUSD prohibits discrimination of any kind against people with disabilities.

Disabled Defined

An applicant or employee may have a qualifying disability if he or she (1) actually has a physical or mental impairment that substantially limits one or more major life activities, (2) has a record or history of such an impairment or (3) is regarded or perceived (correctly or incorrectly) as having such impairment.

A qualified employee or applicant with a disability is an individual who satisfies the skill, experience, education, and other job-related requirements of the position held or desired, and who, with or without reasonable accommodation, can perform the essential functions of that position.

Reasonable Accommodation

A reasonable accommodation is any change in the work environment (or in the way things are usually done) to help a person with a disability apply for a job, perform the duties of a job, or enjoy the benefits and privileges of employment.

Qualified applicants or employees who are disabled should request reasonable accommodation from the BUUSD Human Resources Department in order to allow them to apply for a particular job, perform an essential function of the position, or enjoy the benefits and privileges of employment. If you have a disability and you wish such reasonable accommodation, contact Human Resources. We will ask for information from your health care provider(s) regarding the nature of your disability and the nature of your limitations or take other steps necessary to help us determine whether you have a qualifying disability and, if so, the viable options for reasonable accommodation. Reasonable accommodation may take many forms and it will vary from one employee to another. Please note that according to the ADA, we do not have to provide the exact accommodation you want, and if more than one accommodation works, we may choose which one to provide. There may be some instances where there is no reasonable accommodation that would enable you to perform the essential functions of the job.

Our Schools

If you are unfamiliar with the area, you may want to take a tour to each of our schools. We are happy to invite you to any of our schools for a tour as a visitor before you start.

Where do I park?

There are no individually designated parking spots at our elementary and intermediate schools and parking is limited at some schools. When subbing at these locations, you should park in designated faculty and staff parking areas (if available). We ask that substitutes do not park within the designated Visitor's spaces (unless visiting). Please ask your substituteCoordinator where to park at the school where you are planning to sub.

Who do I call with questions?

Always go to your Substitute Coordinator if possible. If he/she is not available, refer to the Directory of Assistance that lists several phone numbers that may be useful to you. If you are unsure who you need to speak with, please call the school's main office (Barre City- 476-6541, Barre Town- 476-6617, SHS- 476-4811, SEA- 477-5030) and someone will properly direct your call.

Substitute Positions Defined

(please see Appendix A for Substitute Job Description)

Daily Substitutes: Daily are called on an “as-needed” basis. These people do not typically have an assigned position. They are not required to accept assignments.

Clerical or Custodial Substitutes: Clerical and Custodial are assigned by building administrators or the Director Facilities for work shifts. This is not applicable for those substitutes who are daily substitutes, but do occasional administrative support. These people would typically be Daily Subs.

Certified Substitutes: To become Certified Substitutes, substitutes must first undergo training and take the District’s Substitute Certification course.

Pre K Preferred Substitute: Under Vermont Law 166 PK are required to meet specific requirements by the Child Development Division of Vermont before employment, (please see Appendix B).

Licensed Daily Substitutes (must hold a valid VT Educator’s License): LDS typically work as Daily Subs.

Permanent Substitutes: Permanent Substitutes are employed full-time for the entire school year and typically do not take on long term assignments. A Permanent Substitute works with the site Substitute Coordinator to fill spots and determine the needs of the school on a daily basis.

Licensed Long Term Substitutes (not applicable to daily subs): LLT are assigned to a specific position and have an agreement approved by the Superintendent to work a specific amount of time or a specific assignment. State law does not permit you to substitute more than 30 consecutive days for the same teacher absence unless you have a valid VT teaching license and endorsement for the assignment.

Hours of Work

The work week is generally from Monday through Friday, but can vary depending on the location, position, and the need to be present when school is in session. Substitutes’ schedules are aligned with the school day in order to best meet the needs of the students. Please discuss your expected work schedule with your Substitute Coordinator. Each location will provide adequate meal and break times in accordance with Vermont and Federal labor laws.

Please arrive in a timely manner before the start of school. All substitutes need to plan accordingly to accommodate time for checking in, signing in, and obtaining a visitor’s badge. You will be given a room key, directions to your classroom, and a folder with a class list seating chart (if applicable), lesson plans, the day’s schedule, school procedures, the school evacuation plan, a list of contacts and other useful information. These plans may also be left in the classroom. If you have questions, don’t be afraid to ask; we encourage you to introduce yourself to your neighboring teachers! Just as you are there to meet the needs of the students, our staff is available to help you. The more you learn about the school and routine, the better!

It is not expected that you will work hours beyond the regular substitute day. You must have prior approval or be given direction to work beyond the regular hours scheduled. Although it is unlikely that a substitute would be asked to work overtime, the BUUSD will provide overtime compensation for hours worked in excess of 40 per week, in accordance with Federal and State labor law for municipalities.

You are expected to stay in the building and be available throughout the school day (or for the number of hours you were hired to work in the case of an hourly or part-time coverage). If you need to leave before that time, you must advise the office staff and sign-out before leaving.

Once the students are gone and you have finished up in the classroom and done any assigned duty, you should check out at the main office before leaving the building. Please plan to stay after students are dismissed to tie up any loose ends and complete the substitute report. Substitutes at the Middle and Elementary schools are expected to stay until the buses have left the bus circle.

When will I be called?

You can accept jobs at any time using Frontline's (formerly known as Aesop) online portal. Frontline/Substitute Coordinators will begin calling substitutes 48 hours prior to the start of the absence for those jobs that are still unfilled. The morning call period is from 5:00 AM to 11:59 AM. The evening call period is from 5:00 PM to 11:00 PM. However, you can adjust your personal call periods to times that are more convenient for you, as long as they fall within the windows of time specified above (this feature is available when you access your personal account with Frontline). Frontline will also not call substitutes on official federal holidays in which schools are closed.

What if I'm committed to substitute and then can't?

If you get sick, have an emergency, or have another conflict for a day that you have already accepted in Frontline, you can cancel your job assignment up to 24 hours prior to the scheduled start time of the assignment. However, you will not be able to accept other jobs in Frontline for this same date once the job is canceled. In an emergency situation in which you are unable to provide a 24 hour notification, you must contact the school/Substitute Coordinator directly to cancel your assignment. Please refer to the *Directory of Assistance* on pages 5-6 for phone numbers and contact information.

Can a Substitute cancel a job in Frontline once I've accepted it?

Substitutes may also cancel jobs with a 24 hour notice (or less than 24 hours in emergency circumstances). You will receive a notification from Frontline if this were to occur. You will not be paid if your job is canceled.

Can I select my own school preferences in Frontline?

You will have the opportunity to meet with each school. Each school makes decisions independently of the BUUSD as to who will be on their substitute list. The Substitute Coordinator will set up a tour and an interview with the appropriate school official(s).

Once a substitute is approved for an individual school, substitutes will be able to set their own school preferences in Frontline. Substitutes will have the ability to view which schools have been set as their preferred schools (done at the time of your initial hire at BUUSD). If you wish to make a change to your preferred schools, please contact your Substitute Coordinator. Changes in school preferences are subject to administrative approval.

I only want to substitute in a specific content area. Is there a way to only be notified of these absences?

Frontline is not currently set up to allow this. However, you can limit your notifications to specific job categories, schools, and/or available times. At this point we have the following job categories available in Frontline: Clerical/Library, Custodial, Nurse, Paraeducator/Special Education, Teacher, and Behavioral Staff. You can be assigned to one or more of these categories. To change your preferred category, you must contact your Substitute Coordinator. Changes in job categories are subject to administrative approval.

Substitutes also have the ability to not receive any calls from Frontline, and to only accept jobs online. This way you will not receive unwanted notifications. However, this will impact the number of jobs that will be available to you since someone else may accept the job before you have a chance to go online.

I'm only available on certain days, or for certain times of the day, can I only be notified of jobs that are available during these times?

Yes, you have the ability to manage your own schedule in Frontline so you are only notified of jobs that fit within your available times. Once you accept a job, you are automatically marked as unavailable for this time so you won't receive further notices for that same day and time.

What if I'm not available for a period of time?

If you know you won't be available for a period of time (e.g., working as a long-term substitute in our district or another district) please be sure to update your schedule in Frontline so you won't be bothered by calls during this period, or contact your Substitute Coordinator so we can inactivate your status with us temporarily until you become available. If you are inactivated in our system, you will need to contact the BUUSD central office again once you are available to substitute.

Will I be able to access all absences immediately once they are entered in Frontline?

You will only be able to see absences in Frontline for your approved school(s) and job category(ies) that are scheduled during your available times as specified in Frontline. Even within these schools and categories, there may be a delay in when you can see the absence depending on, (1) whether or not you have the preferred skill(s) for the position (e.g., bachelor's degree, background, etc.), (2) whether or not you appear on the Substitute Coordinator's preferred list of subs, and (3) whether or not you appear on the school's preferred list of subs. You may also be excluded from seeing jobs for certain positions or schools at the sole discretion of the Substitute Coordinator, school administrator or the BUUSD Office.

Will substitute plans be available through Frontline?

Teachers have the option of attaching substitute plans and other documents or instructions to the job assignment in Frontline. However, use of this feature is currently at the discretion of the individual teacher. If this feature is used, you will be able to access this information in Frontline online once the job is accepted. If not, lesson plans and other materials will be available for you at the school.

How do I leave notes for the teacher?

Upon completion of the job, you will receive an email notification from Frontline asking you to rate your experience and to provide feedback to the teacher. We encourage all substitutes to complete this online survey. This online survey will serve as a report back to the classroom teacher (in place of the Substitute Teacher Report). It will also allow you to rate your overall experience. Please be aware that the teacher as well as the school administrator, will be able to see your comments and scores provided.

What do I do during the absent teacher's preparation period?

If you are substituting for a teacher who has an assigned preparation period during the day, please be sure to check in with the Substitute Coordinator to see if there are any other possible assignments for you during this time.

What if school is canceled the day I am scheduled to work?

There will be occasions that our school(s) may close due to inclement weather or other emergency. If such were to occur, the school closing would be called into all major local radio and television news stations. are expected to listen for school closings – you should not expect to be called if school is closed due to weather conditions or another emergency. If school is canceled on a day you were scheduled to sub, you should not report to work and will not be paid for that day.

Punctuality and Absence Notification

It is important for you to report to work on time and to avoid unnecessary absences. We recognize that illness or other circumstances beyond your control may cause you to be absent from time to time. However, frequent absenteeism or tardiness can put unnecessary strain on your coworkers and can have a negative impact on school operations. Therefore, poor attendance may result in your removal from the substitute list making you ineligible to substitute for the BUUSD.

What if I'm only needed to substitute for a partial day?

If you are called to substitute teach for less than half-day (less than 3.5 hours), you may be released upon completion of your assignment and will be paid for a half-day (3.5 hours) of substitute teaching. If your substitute teaching assignment does not begin until after the school day has begun, you would be expected to arrive early to your scheduled assignment to provide time to check in, receive an ID badge, and collect and review the lesson plans before class begins.

If you are called to substitute for a half a day or longer (3.5 hours or longer) you shall be expected to work the full school day and will be paid for a full-day of substitute teaching, except as otherwise noted herein. If your substitute teaching assignment is completed prior to the end of school, you should report to the Substitute Coordinator for other possible assignments. If there is no other assignment available, you may be released, and you shall be compensated for those hours actually worked.

If your substitute teaching assignment does not begin until after the start of the school day, you shall be expected to arrive at the start of the school day for other possible assignments unless otherwise released. Other possible assignments may include, but are not limited to, (1) assisting in the classroom, library/learning center, media/computer lab, or other instructional setting, (2) supervising students in the lunchroom or during recess (if applicable), (3) covering a study hall, (4) providing basic clerical duties, (5) monitoring students in the hallways/lobby in popular "hang-out" areas, (6) providing academic support to students, (7) substituting in another classroom, (8) covering lunch/work breaks for paraeducators in the building, (9) photocopying in the teacher's room, etc.

If you refuse an additional assignment or if you fail to check in with the Substitute Coordinator or School Secretary for other possible assignments for periods when you are not substituting, you will only be paid for the portion of the time you worked, rather than the full day.

What should I wear?

The dress code reflects our commitment to promote a positive, comfortable learning environment for all, as well as our continued effort to serve as good role models to help prepare students for the workforce beyond school. Wear something appropriate but comfortable. Different situations may require different clothing (i.e. for physical education you would need to wear sneakers and athletic attire). In a primary school you may have to sit on the floor, or bend over frequently.

Appropriate attire does not distract from the learning process and covers stomachs, backs, and undergarments. Tank-style tops must have straps wider than two finger widths. Shirts must have necklines no lower than four finger widths below the collarbone. Skirts and shorts must be long enough so the hem falls at fingertip length or below when arms are placed at the sides when standing.

Inappropriate attire includes items with obscene or vulgar terms; messages of hatred, violence, discrimination, sexual innuendo, or that promote the use of alcohol, drugs, and tobacco; halter tops, spaghetti straps, short skirts, and see-through items (unless that item covers other clothing that meets the dress code). Any item of clothing deemed by school personnel to be distracting, disruptive, or provocative is also inappropriate as school attire.

Consequences: Substitutes coming to work dressed inappropriately will be asked to change and/or to go home. Substitutes who are sent home due to inappropriate attire will not be paid for the day.

Cell Phone Use

The BUUSD recognizes that occasionally it is necessary for employees to make or receive personal phone calls or texts during working hours. However, personal calls or texts during the work day, regardless of the phone used, can interfere with employee productivity and be distracting to others. Employees are expected to restrict personal calls, texting and surfing the web for non-work related purposes to non-work times (e.g., work breaks, lunch), except in emergency situations, and to ensure friends and family members are aware of this expectation. **Cell phones and other personal devices should be set to silent mode and put away while teaching or working with students in order to avoid the potential distraction.**

Fundraising and Solicitation

Substitutes may not solicit, canvas or distribute materials or literature for any purpose within the BUUSD buildings, or on BUUSD property. Substitutes may not solicit or distribute literature or materials for any purpose within the working areas of the BUUSD at any time during the Substitute's working time, or during the working time of any substitute being solicited or approached.

Gifts

In order to avoid the appearance of a conflict of interest, Substitutes will not accept gifts from students except as such gifts represent tokens. Even token gift-giving is to be discouraged. Please refer to BUUSD Policy G3 (Conflicts of interest) for more information.

Payroll Practices

Substitutes are paid bi-weekly on a Thursday. When a payroll date falls on a holiday, Substitutes will, when possible, be paid on the last business day before the holiday. Otherwise, Substitutes will be paid on the first business day following the scheduled payroll date.

Timesheet Procedure

**Long Term Licensed Substitutes do not need to fill out timesheets.*

Benefits

Do I qualify for Health Insurance?

Under the health care reform rules that took effect in 2015 (Affordable Care Act), rules relating to employment-based health coverage have changed. In general, employers that wish to avoid potential penalties under healthcare reform must offer full-time substitutes (those who work 30 or more hours per week on average) group health plan coverage that meets a minimum value standard and is considered “affordable” to the substitute for substitute-only coverage.

In many cases it is difficult to determine if a Substitute will average 30 hours of service per week in advance. When an employer cannot reasonably make the determination in advance, there is a special rule that applies to offering health coverage to substitutes in those positions. Substitutes in these positions are considered variable hour substitutes under the health plan eligibility rules. Note that seasonal substitutes are always considered variable hour substitutes under this rule.

Based on the nature of your position, we cannot reasonably determine whether you will work 30 or more hours per week on average over the course of the year. As such, we will treat you as a variable hour substitute under the health plan eligibility rules in order to determine future eligibility for insurance. Below is an outline of the process used to determine your eligibility for health care coverage as a variable hour substitute.

A. During your first year of employment:

As a variable hour Substitute your eligibility for insurance shall be determined after you have worked for twelve months (beginning the first of the month on or after your date of hire). If you average at least 30 hours of service during this period, you will be offered health plan coverage under the District’s plan for twelve months (or until you are no longer actively employed if earlier) beginning within 31-days of when you were deemed eligible (provided you complete the required enrollments prior to the enrollment deadline). Your continued eligibility for health care coverage after this 12- month period will be determined as outlined in part B.

If you average less than 30 hours per week on average during this 12-month period, you will not be eligible for health care coverage. Future eligibility for health care coverage under our group plan will be determined as outlined in part B.

B. During subsequent employment years (after your first year of employment):

For subsequent years, we will review your average hours worked from May 1st through the following April 30th to determine your future or continued eligibility for insurance. If you average at least 30 hours of service during this period, you will be offered health plan coverage under the district’s plan for twelve months (or until you are no longer actively employed if earlier) with coverage beginning July 1 (provided you complete the required enrollments prior to the enrollment deadline). If you average less than 30 hours of service during this period, you will not be eligible for coverage under our group health plan for the next 12-month period. This process will be repeated each year of your employment with the district.

C. Premium Payments Substitutes who are deemed eligible for coverage who choose to participate in our group health insurance plans are responsible for paying for their portion of the premium for said plan consistent with their Non Contracted Group “D” Benefits. Payments must be made monthly by the 25th of the prior month (e.g., payment for September is due August 25th). Once payment is received, it will be processed as a pre-tax deduction in the substitute’s subsequent paycheck. Failing to make this payment on a timely basis may result in coverage termination.

Do I qualify for sick leave?

Daily substitutes are generally not covered under the Vermont Paid Sick Leave Law and do not receive sick time. Non variable hour substitutes (permanent, long term, etc.) who average more than 17 hours a week are entitled to accrue 1 hour per every 52 hours worked up to four days per year. Permanent Substitutes will receive 10 sick days per year. Long term Subs' average hours worked will be monitored and if you are averaging over 17 hours, we will credit you with the appropriate number of sick leave hours and notify you of the adjustment. Typically HR will estimate sick time to be earned and awarded. Sick hours/days have no cash value and must be used in the current school year or they will be lost.

In rare cases (some long term assignments) we will be crediting you with sick time at the beginning of the school year or the beginning of the long term assignment. Should you terminate your employment for any reason before the end of the school year, you will be expected to reimburse the district for any sick time taken that has not actually been earned/accrued. These days are for sick use only. They cannot be used for school closings, personal days, etc.

Separation from the BUUSD

Employment with the BUUSD is at-will. This means that either the Substitute or the BUUSD can terminate the employment relationship at will, at any time, either with or without cause or advance notice. Generally, separation is for one of the following reasons:

- **Voluntary Resignation:** If a substitute wishes to terminate his or her employment, a letter of resignation is requested and a minimum of two weeks notice is appreciated.
- **Involuntary Termination:** If the BUUSD terminates employment, it will generally be a discharge or layoff and may be done with or without cause and with or without advance notice. Involuntary terminations are unfortunately necessary at times in order to serve the best interests of the BUUSD. In these instances, advance notice may or may not be given depending on the circumstances surrounding the termination.

Feedback

In order to ensure that we are providing students with quality substitutes, we also encourage feedback (both formal and informal) from the classroom teacher, other teachers, parents, students, administrators, classroom aides and volunteers about their encounters, experience and/or correspondences, with the Substitute Teacher. Such information helps us determine the best possible placement/assignment for each substitute. In order to provide the quality educational experience for our district's children, the superintendent and/or his/her designee reserves the right to remove individuals from our substitute list at his/her discretion based on the feedback we receive.

The Superintendent and/or school Principal also reserve(s) the right to limit the assignment/placement of a substitute as s/he deems appropriate. Such decisions shall be made without regard to disability, age, place of birth, ancestry, marital status, national origin, race, color, religion, sex, gender identity, sexual orientation or other protected class. All decisions made by the superintendent on these matters shall be final.

What happens if I do not substitute for a full year?

If you are on our substitute list but have not actively substituted within at least one of our corresponding school districts for a year or more, you will automatically be inactivated from Frontline and removed from the district substitute list. If you wish to become an active substitute again, you may need to complete/repeat the criminal records check process in order to be eligible.

Final Paycheck

The BUUSD will issue a final paycheck on the last regular payday, or within 72 hours in the event of an immediate discharge.

Reference Inquiries

Responses to employment and salary verification inquiries by other employers are usually limited to confirmation of substitute name, job title, and dates of employment. Information will only be released if the BUUSD receives a signed consent and waiver form. Supervisors and managers who receive reference requests for former substitutes should refer those requests to the Human Resources Department at the BUUSD Office.

Relationships with Students

Substitutes are expected to maintain a professional relationship with all students, both inside and outside the classroom, and to make reasonable efforts to protect students from conditions which are harmful to their health and safety. It is equally important that our substitutes recognize behaviors, actions, gestures, or comments towards students that could have potentially harmful consequences to both the student and the substitute. Sexual, intimate, or physical relationships between a substitute of the district and a student are strictly prohibited, regardless of the age of the student. Some other examples of inappropriate conduct include, but are not limited to, the following:

- Communication with the student that goes beyond the Substitute's/volunteer's employment responsibilities with the student and/or does not occur within the context of their duties and responsibilities such as: writing personal letters or text messages to a student at times and activities (except where such activity results from a parent-initiated request and the activity has been disclosed to and approved by the school district in advance). This includes hosting/inviting a student(s) to your house.
- Favoring a student or offering any student "special" treatment that falls outside of the school's mandate, or that may (or may appear to) place a student at risk of exploitation.
- Making any sort of remark, comment, or joke to/regarding a student that is in any way suggestive, explicit, or sexual; showing sexual explicit images to a student; sharing inappropriate stories of sexual activity with students; discussing sexually explicit information with students; and/or teasing a student about his/her sexual development.
- Engaging in any sort of physical contact with a student that may make the student feel uncomfortable, or that violates reasonable boundaries. Whereas some physical contact may be an appropriate sign of support or instruction, other times it is not appropriate. Teachers/staff members should always be cautious of how their physical contact with students may be interpreted by others, and they should always avoid excessive or inappropriate contact with students (e.g. hugs not initiated by the student, long affectionate hugs, kissing, slap on the buttocks, tickling, wrestling, roughhousing, backrubs, grooming, etc.)
- Engaging a student in unnecessary or unwarranted restraint or seclusion.
- Taking photographs of a student for personal use or gain.
- Allowing or encouraging students to break rules.

Substitutes are also expected to adhere to the following rules, which are designed to protect both our students and teachers/staff members:

Open Door Expectations

Unless strict confidentiality is required, whenever speaking to a student, be sure to do so in a public setting and not behind closed doors. If a student asks to speak with you in private, move away from the earshot of people, but try to be within the vision of others whenever possible. When confidentiality is necessary (e.g., counseling, discipline, etc.) use an office that has a windowed door (or inner wall window) that allows others to see in when available and practical to do so.

One-on-One Tutoring

If a student requests additional tutoring before or after school, inform the administration and always do so in an open public setting and never behind closed doors. If possible, try to avoid tutoring one-on-one (e.g. establish set times where students can work in small groups, tutor with another teacher in the same room, pair the student up with another student who may be able to tutor him/her, etc.)

Confidante

If one of your students is troubled and approaches you for a “shoulder to lean on”, be aware of the referral process and try to refer the student to other professionals in the school who may be able to help them. If the student is not comfortable speaking with others, collaborate with a school administrator regarding any personal matters the students confide in you; don’t make the decision alone.

Mandated Reporting

Reporting Suspected Child Abuse/Neglect Under Vermont and BUUSD policy: Any school Substitute having reasonable cause to believe that a child has been abused or neglected shall report the same to the appropriate law enforcement authorities within 24 hours. If possible, you should speak directly to the guidance counselor, classroom teacher, school administrator or other designee in advance of reporting the abuse/neglect. You should not speak with anyone else. The child and the family have a right to confidentiality and privacy as well as protection.

As a mandated reporter, if you suspect abuse or neglect after speaking with the classroom teacher, school administrator or other designee, you are obligated to report suspected abuse or neglect regardless of whether or not the other party agrees to such. Below is the contact information necessary for proper reporting:

- **Call the Department of Children and Families (DCF) at (800) 649-5285** (make a written notation of whom the report was made to and when the report was made) &
- **Follow up with the written report sent by fax transmission to (802) 241-3301.**

Please refer to the *BUUSD Policy on Reporting Suspected Child Abuse and Neglect* for more info.

Note: Substitutes with children who attend BUUSD schools are permitted to host other students in their home in their role as parent (e.g., students who come over as friends of the substitute’s son/daughter). However, if your son/daughter participates in a team activity and you would like to host a team dinner in your role as parent, please be sure to get prior approval from your school principal before doing such.

Workplace Safety

Safety is a joint venture between employer and substitute. We provide a clean, hazard-free, healthy, safe environment in which to work and make every effort to comply with all relevant federal, state and local occupational health and safety laws, including the federal Occupational Safety and Health Act. As a substitute, you have a duty to comply with the BUUSD's safety rules and you are expected to take an active part in maintaining this hazard-free environment. You should observe all posted safety rules, adhere to all safety instructions and use safety equipment where required. Your workspace should be kept neat, clean and orderly. You are required to report any accidents or injuries – including any breaches of safety – and to promptly report any unsafe equipment, working condition, process or procedure to a member of the health services team (school nurse).

If you become ill or get hurt while at work, you must notify your supervisor, the school nurse or Human Resources immediately. Failure to do so may result in a loss of benefits under the state workers' compensation law.

The BUUSD is concerned about the physical well-being of its staff and encourages all Substitutes to have periodic physical examinations (check your health plan documents to determine coverage). We may also request that a physician examine you whenever conditions make this desirable for your protection or that of the BUUSD, your co-workers, or the students. We will pay for physical examinations administered at our request.

Emergency and Fire Drills

Each school has an emergency plan and established fire/emergency preparedness drills. Please familiarize yourself with the emergency plan and fire/emergency preparedness drill instructions at your assigned school. Fire/emergency preparedness drill instructions are posted near each classroom door and the gymnasium. The emergency signal is a continuous loud tone. The recall signal, which allows individuals to reenter the building, shall be established by each school and shall be clearly distinct from any other signal. Please be sure to familiarize yourself with the signal at your assigned school. Typically, an administrator will verbally give the all clear announcement.

During fire drills, teachers stay with their groups. Take your class roll book or attendance sheet.

Supervise and maintain order:

- Remind students where to meet outside.
- Close all classroom windows.
- Assist any student who needs help.
- Close, but do not lock, the classroom door.
- Take attendance outside.

Handling Bodily Fluids

Universal precautions should always be utilized when handling bodily fluids. Whenever possible, direct skin contact with body fluids should be avoided. Disposable gloves should be available in each medical kit and should be used when direct hand contact is anticipated. Dispose of used gloves in a plastic bag or lined trash can. Wash hands thoroughly after any contact with bodily fluids and before contact with others.

If blood or other potentially infectious materials have contact with broken skin, mucous membranes or by a bite or needle stick, wash or irrigate the area immediately and report to the school nurse. You will be asked to assist in filling out an Employee First Report of Injury and will be advised to seek immediate medical attention at no cost to you. Please see Bloodborne Pathogens Safe Practices below or BUUSD Procedure G4-R1 (Bloodborne Pathogens Exposure Control Plan) for additional information.

Bloodborne Pathogens Safe Practices

DO...

- Stress hand washing for yourself and students;
- Direct students in self-care as much as possible (i.e. holding a bloody nose, pressure to cuts, etc);
- Send students to the nurse's office for anything more than minor clean-up or treatment (if in doubt, send);
- Remove clothing soiled with blood, vomit, urine or feces – soiled clothing goes into a plastic bag & is sent home;
- Call the custodian to clean messes involving blood, vomit, urine or feces – spray or cover messes using a disinfectant solution and paper towels;
- Have contaminated items or equipment properly cleaned before using;
- Wear approved disposable gloves whenever you must be in contact with bodily fluids or other potentially infectious substances (i.e. to pick up tissues, assist an injured bleeding person, handle a lost tooth, help change soiled clothing, help blow a nose or wipe a face, etc...);
- Treat all blood and body fluid as though it were infected with a bloodborne pathogen (e.g. HIV, HBV, HCV) regardless of the perceived status of the source individual.

Handling of “Sharps”: Students handling a potentially injurious material or “sharps” require direct supervision. All disposable “sharps” (i.e. razor blades, needles, broken glass, etc.) after use should be placed in biohazard containers provided. Contaminated reusable “sharps” (i.e. scissors, knives, tools, etc) should also be immediately placed into appropriate biohazard containers. These containers are found in the Health Office, and in the Science and Practical Arts classrooms and offices at each school.

If you cannot find an appropriate receptacle, please contact an administrator or custodian immediately. When handling any potentially contaminated or injurious materials protect yourself with disposable gloves. Gloves are located in each classroom and nurses’ office at each school.

Medications: All student medications are kept in the Health Office and administered by a nurse or under the direction or authorization of the School Nurse. Any student who brings medication to the classroom should be sent to the nurse. The daily plans left for you by the teacher should include names of students who receive medication and when they should go to the health office.

Students should be directed to restrain from taking or carrying medications on school premises except as authorized by a doctor, parent or the school nurse (i.e. epi-pen, insulin, inhaler, etc.). Substitutes are not permitted to administer prescription medications, pain medications or other over-the-counter medications to students except in emergency situations as directed and authorized by the school nurse (i.e. EpiPen injections, insulin, inhaler, etc.). Please refer to BUUSD Policy (Administering Medicine to Students) for more information.

- Parents may NOT be left alone with any child except their own.
- Any adult spending time in the classroom must have completed the CDD background check.

A couple of friendly reminders:

Our 3 and 4-year olds are adorable and bring out our tendencies to nurture and show affection. It is important to remember that the usual expectations around boundaries with our students still apply. For example: a child might ask to kiss you. An example of a response is, “kissing is for families and at school, we can give high-5’s, a pat on the back or a hug (try to do a side hug vs. frontal hug). If a child says, “I love you,” you might say, “I really care about you and I’m so happy you’re with us.”

PK substitute GUIDELINES

- o You will see a variety of abilities and learning styles in our classroom. Be respectful of each child's needs by following staff's lead as they interact with the child.
