

Title I School-Home Compact 2023-2024

At Richardsville Elementary, we utilize federally-funded Title I funds to enable us to provide a high-quality education for every child. Our goal is that every student achieves a successful elementary school learning experience in order to equip all students with the necessary skills to be productive students at the next level.

This year, Richardsville Elementary School is offering a school-wide Title I program. Every primary (K-3) student receives 90 minutes of core reading and 60 minutes of core math instruction. In addition, students receive 30 minutes of additional reading and 30 minutes of additional time (RTI) for math. The Title I program is designed to provide additional assistance for intervention, extra practice and enrichment. A reading and math intervention teacher may pull students to work in a small group during the 30-minute sessions. During both core and RTI times, students are engaged in a variety of researched-based instructional materials and activities. The staff at Richardsville Elementary utilizes a variety of assessments to measure students' progress. Examples of data include: Fastbridge Math and Fastbridge Reading tests, HMH growth measures and weekly assessments, teacher-made and district assessments as well as other computer-based resources to monitor students' progress.

Richardsville Elementary School is committed to the belief that all children can learn at a high level. We understand the importance that teachers, administrators, and families work together to improve student achievement.

THE TEACHER'S PLEDGE

Teacher Signature: _____

We understand that you have entrusted us with your child's learning. We believe that we can provide the best education possible for your students. In order to help your child be a successful learner, we will:

- Treat your student with respect
- Provide high quality instruction by utilizing research-based activities and materials
- Have high expectation for all students
- Work with families, the community and other professionals to support student learning
- Provide a safe, supportive and effective learning environment
- Keep parents informed of academic and social/behavioral progress
- Provide challenging tasks that require higher-order thinking so that each student can achieve his/her potential
- Participate in professional learning activities which will enable us to better assist your student in achieving his/her goal
- Engage your student in a variety of leadership opportunities

THE FAMILY'S PLEDGE

Parent/Guardian Signature_____

I understand I am my child's most important teacher. I understand my participation in my child's education will help them be successful and to achieve their goals. I will be an active participant in my child's education by doing the following:

- Check that all daily assignments are completed each night (Class Dojo or Google Classroom)
- Provide a quiet place for my child to work at home
- Discuss with my child what he/she has learned at school each day
- Encourage my child to follow the "RES" guidelines for success at school and on the bus
- Read with my child for at least 20 minutes every day/Use online resources provided by the school
- Ensure my child arrives at school on time day every day
- Maintain open lines of communication with my child's teacher
- Attend parent/teacher conferences and planned meetings to discuss student achievement, celebrate successes, and discuss concerns
- Be aware of what my student is learning
- Ensure my child routinely gets a good night's sleep
- Be supportive of important educational decisions made for my child by the school staff

THE STUDENT'S PLEDGE

Student Signature_____

I understand how important it is to get an education. I will follow the "RES" guidelines for success with a positive attitude and effort so that I will receive the best education possible by doing the following:

- Attend school regularly
- Work hard to do my best
- Complete all assignments to the best of my ability
- Follow the RES Guidelines for Success at school and on the bus
- Ask for help when I need it
- Communicate with my family about what I am doing at school

This compact supports our willingness to work together to ensure that your child has a successful learning experience at Richardsville Elementary. We understand that your child's education is important; Safety, Achievement and Opportunities are OUR HIGHEST PRIORITIES.
