It is the responsibility of the injured employee to communicate with and provide all documentation from the physician to their principal/supervisor and to Julie Price in the Administration Building.

The Division of Workers' Compensation of TDI (Texas Department of Insurance) allows the use of accumulated employer benefits for the first week of absence due to a work related injury. The **Paid Leave Election** Form must be completed and sent to the Human Resources Department.

 - If you elect not to use leave you will not receive payment for the first 5 work days.

The maximum is changed annually by the Division of Worker's Compensation of TDI. Employees who earn less than \$8.50 per hour receive 75% of their average weekly wage. For information on maximum and minimum temporary income benefits (applicable by date of injury) please visit the **Division of Workers' Compensation website**.
