**All visits are BY APPOINTMENT ONLY**

**We typically offer walk-in services, but due to the current public health situation associated with COVID-19, we ask you to please call us first so that we can ask you some screening questions and schedule an appointment for you. If you are on your way to the clinic and were not able to plan ahead, please call us while you are still in your car or on your way to the clinic. If you arrive at the clinic and have not called first, we will ask you to please go outside or to your car and call us to complete the screening for COVID-19 exposure and symptoms before you enter the clinic. **
