September 2023

Dear Parent/Guardian,

Mt. Olive High School is pleased to announce that we have again partnered with the Rochkind-Wagner Foundation. The Rochkind-Wagner Foundation funds achievement awards in Math and Science at several public high schools in Morris County. Students are awarded based on the qualifications outlined on the enclosed consent form.

If you would like your child to be considered for an award, provided they meet the established criteria, please sign the enclosed consent form and return it to the Guidance Department at your earliest convenience. If you have any questions or concerns, please contact George Kerrigan in the Guidance Department at (973)- 927-2208 x7307 or via email at george.kerrigan@motsd.org.

Sincerely,

Robert Feltmann
Vice-Principal of Student Affairs

**The 2023-24 Program for AP Achievement Awards in Math and Science
MOUNT OLIVE HIGH SCHOOL**

Qualifying subjects: Calculus BC, Biology, Chemistry, Physics C (E&M) or Physics C (Mechanics), Statistics, Computer Science A, and Environmental Science.

Caveat: An award cannot be earned in both Physics C (E&M) and Physics C (Mechanics)- even in different years.

Level 5 Score on AP Exam.

Grade of A in corresponding academic course, if offered. (Grade of A-, A, or A+ is considered "A" for program purposes.) When no corresponding course is offered, students may qualify for an award through self-study or participation in an on-line course.

Students may be in any grade level (9,10,11,12).

Single award: \$200

Student who qualifies for two awards: \$500

Student who qualifies for three awards: \$900

Student who qualifies for four awards: \$1400

To participate in the program, students must supply a parental consent form authorizing the school to release the name and address of awardees and their school year (grade) level to the Rochkind Wagner Foundation so that the Foundation may remain in touch with awardees to follow their progress and to encourage them in their chosen careers. Please return this form to Mr. Kerrigan in the guidance office.

To earn awards, students must sit for College Board professionally proctored, pencil and paper AP Exams in 2024. These exams have already been scheduled by the College Board to take place May 6-17, 2024.
