Reason for absence, (please be specific):

Reason why absence cannot be taken during non-school hours:

Agreement

Student: I understand that the absence from the classroom may have a negative impact on a student's progress for that class, since it is impossible to "make-up" class discussions, lectures, audio-visual presentations, laboratory demonstrations, guest speakers, and other one-time events in the educational process. I understand that I may have additional work to complete upon my return to school. I agree to complete this work and turn it in to my teachers within the agreed-upon time frame. I am aware that failure to do so may result in academic regression and/or a lower grade in the class.

Parent: I agree to minimize the detrimental effect of the absence by having my child complete assignments given to him/her by his/her teacher. I am aware that failure to do so may result in academic regression and/or a lower grade in the class. I realize my child may have additional work to complete upon his/her return to school and he/she will need to complete it within the agreed-upon time with the teacher of the class.

Additionally, if the school administrator determines this absence does not meet the criteria for a “personal justifiable reason” and you choose to have your child miss school, his/her attendance will be marked as “unexcused” and your child will be subject to the truancy letter notifications, as well as possible SART and SARB procedures (depending on the number of absences already accrued for the school year).
