

FLYER ACTIVITIES SCHOLARSHIP APPLICATION

We, at Little Falls Community Schools, believe that participation in co-curricular activities is vital to the growth of young people in our community. We believe that involvement in co-curricular activities is an essential component of the overall education of each student. Therefore, we believe no student should be excluded from participation in a co-curricular activity because of an inability to pay the required participation fee.

The Flyer Activities Department grants assistance for the student participation fee.

The participation fee is waived for a student who qualifies for free lunch.

The participation fee is half the amount of the activity if the student qualifies for reduced lunch.

In order to receive this funding, the approval letter from School District 482 Food Service Department, along with this form, must be given to the Activities Director.

Please complete the following information and return it to the Activities Office at the high school. This application will be kept strictly confidential and will be used only for the purpose of providing assistance.
