

Texas City Independent School District District Improvement Plan

2022-2023

Accountability Rating: B

Mission Statement

We will prepare our students to reach their full potential and excel in their chosen paths.

Core Beliefs

Every decision should be based upon what is best for students.

All stakeholders should be treated with respect.

Cultural diversity should be embraced.

High expectations should be maintained for all employees and students.

District employees should take time to know and understand students and colleagues.

High quality instruction should be delivered in an engaging manner.

All students should have opportunities to explore and develop their unique traits.

Each Texas City ISD graduate should be college and/or career ready.

All TCISD graduation pathways are worthy and deserving of respect.

Implementation of quality research-based professional development will improve student learning.

All district personnel have a moral obligation to create, maintain and support a learning environment that is academically, emotionally and physically safe.

Shared leadership and collaboration are essential for our success.

Meaningful relationships with our community and families are vital to learner success.

Problem Statements Identifying Student Learning Needs

Problem Statement 1: Many TCISD students are in need of urgent interventions in reading and math in an effort to meet the established goals by 2024. **Root Cause:** Ineffective initial instruction, progress monitoring and accelerated instruction.

District Processes & Programs

District Processes & Programs Summary

TCISD students attend two high schools (grades 9 - 12), one middle school (grades 7 - 8), one middle school (grades 6-8), one intermediate school (grades 5 - 6), four elementary schools with K - 4 grade spans, two elementary schools with K-5 grade spans, one early childhood center (PreK 3 and 4) and one alternative school. Students are offered dual credit courses through College of the Mainland and dual enrollment courses through The University of Texas OnRamps program. Also offered at College of the Mainland is the Collegiate High School program where students can earn an associates degree while earning their high school diploma. The Industrial Trade Center serves students of both high schools.

TCISD maintains a district website as well as campus websites for all campuses. Parents can access their child(ren)'s grades and attendance records through Family Access in Skyward. TCISD campuses utilize School Messenger which affords the district the ability to reach parents and community in minutes—whether it is a time-sensitive situation, event outreach, or attendance notification--keeping our community more informed and involved.

Teachers participate in on-going staff development in an effort to improve student learning and performance. Teachers have opportunities to grow and learn through-out the school year, during the summer, and after school.

TCISD staff consists of 1270 full time employees: 44.9% Teachers, 11.2% - Paraprofessionals, 29.4% - Auxiliary Staff, 10.7% - Professional Support, 2.6% - Campus Administration and 1.2% - Central Administration.

The Board of Trustees consists of seven elected members who serve three year terms of office. TCISD Trustees represent 6 single member districts and one At-large representative.

Teachers currently serving TCISD had an average of 10.2 years of teaching experience and an average of 5.5 years in TCISD. 40.7% of TCISD teachers have more than 10 years teaching experience.

Campuses and district departments collaborate regularly to provide and support a variety of learning opportunities for all employee groups. Members of the district have the opportunity to learn through after-school learning opportunities, campus professional learning, summer professional learning, conferences, and district-sponsored instructional opportunities focused on building capacity and promoting student achievement.

Professional development is a cornerstone in developing and retaining effective teachers, and it is a high impact and cost effective approach to improving instructional effectiveness for student achievement. This has been especially true this school year with both face to face and virtual instruction taking place within the district. Texas City ISD in-district and out-of-district professional development is aligned to state standards and supports research-based teaching strategies and best practices. For the 2020-2021 school year the district has selected to focus on the PLC Process, Teacher Clarity and Efficacy as well as the improvement of literacy and social emotional learning. Specifically designed professional development is planned for virtual teachers to help meet their instructional needs as they instruct students remotely. Additionally teachers participate in professional learning grade-level/department focus meetings to further promote and enhance collaboration during the school day.

TCISD provides all professional employees who are new to the district with a comprehensive and differentiated induction, including a mentor for teachers who are new to the profession. All teachers new to the profession are required to attend The New Teacher Academy which holds sessions throughout the school year.

The Texas City ISD written curriculum is based on state standards and it is taught daily. Eduphoria Forethought houses the curriculum for grades K-12 English Language Arts - Reading, Math Science and 7-12 Social Studies. Each content area includes: TEKS, readiness and supporting standards, scope and sequence documents, lessons and activities and lesson plan templates. The written curriculum is monitored periodically via curriculum-based assessments (CBA), and it is revised based on student performance data and changing state standards. Curriculum resources developed by the district or purchased from outside sources must be in complete alignment with state standards and district curriculum.

It is a district responsibility to help every student reach his or her fullest potential. The curriculum directors, coordinators and specialists monitor the written and taught curriculum and provide support to teachers in their quest to deliver instruction that makes connections, shows relevance, nurtures engagement, applies higher levels of thinking, and embeds understanding. In addition, they meet regularly with campus administration to review classroom instruction and campus needs.

TCISD uses assessments to ensure students are demonstrating proficiency of state standards. Formative assessment, curriculum-based assessments (CBA), and state assessment benchmarks are developed by district coordinators and campus instructional specialists. Data conferences are held with district and campus administrators following every CBA and state assessment benchmarks. Using curriculum teams, district assessments are evaluated for alignment to state standards and reliability.

District Processes & Programs Strengths

- District offers a comprehensive PreK-12 Instructional Program
- Industrial Trade Center
- TCISD Foundation for the Future
- Community partnerships
- 21st Century Afterschool Programs
- Induction program provided for teachers new to the profession.
- High Quality professional development sessions offered.
- Professional Learning Community meetings are available for all teachers regularly at the campus level.

- TCISD has a strong, guaranteed and viable curriculum that is aligned to the State standards.
- Teachers are supported by a wide variety of ongoing professional development opportunities.
- Campus Professional Learning Communities form the basis for job-embedded learning and professional collaboration.
- All campuses are served by a Campus Instructional Specialist(s).
- Through Eduphoria, teachers have timely access to student learning data that informs instruction.
- The curriculum, instruction, and assessment program focuses on the needs of all students.

Problem Statements Identifying District Processes & Programs Needs

Problem Statement 1: New teachers within the first three years in the profession as well as teachers with several years of experience need support. **Root Cause:** There is a lack of knowledge in the fundamental instructional and management experience needed to be effective in the classroom.

Perceptions

Perceptions Summary

The Texas City School District strives to create a culture and climate that is safe, caring, and collaborative so that all students reach their maximum potential. The district has a Student Code of Conduct that serves as a platform for student expectations and discipline. School safety is paramount to the efficacy of the district. TCISD partners with our local community and local law enforcement agencies to ensure safety on all campuses. A number of safety and security protocols are currently being implemented at all levels. Our campuses offer a variety of after-school activities, clubs, and UIL events promoting student connectedness and enhancing a positive school environment.

Perceptions Strengths

- Increased opportunities for shared leadership throughout the district.
- Increased number of after school activities for students.
- District initiatives to address the psychological and social emotional needs of students.
- Numerous district initiatives to address safety and security at all levels.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: There has been an increase in threats of violence, student outcries for help and aggression as well as an increased number of student code of conduct violations and off-task behaviors. **Root Cause:** Many students lack self-regulating and coping skills which are needed to successfully function as productive citizens.
