

## BACK TO SCHOOL NIGHT

Wednesday, September 20, 2023

We look forward to welcoming our St. Mary's Academy parents and guardians to the school and giving you the opportunity to meet each other as well as your daughter's classroom teachers. Please join us in our newly renovated gymnasium for a social gathering and volunteer fair to begin this special evening. We will gather in the Auditorium for the administration team's welcome which will begin promptly at 6:00. We look forward to a great year of learning and growing with your daughters!

*We will send student schedules to the parent/guardian email on file on September 19<sup>th</sup>.* Bring this email with you to the event so that you know where to go; we will not provide paper copies of student schedules that evening.
