

Fleetwood Area School District

Foodservice Department

Welcome back to School!

The Foodservice Department values and understands the need for dietary restrictions. We are now offering a gluten-free menu to those students with medically documented gluten allergies, intolerances, or celiac disease that necessitates a gluten-free diet. Please find the menus enclosed with this letter. We are requesting that students who would like gluten-free options for lunch please circle the menu selections that they would like in advance so that the foodservice department can prepare the meals and have them available for those students. Completed paper menus can be given to the head cook in the kitchen for each school or sent to them via email. Contact information for the head cooks is provided below. Please copy Nathan Shefter, Director of Food Services, NShefter@fleetwoodasd.org on all emailed menus. We request that you please submit menus at least one week in advance so that we can best provide these gluten-free options.

We hope that you will find the gluten-free menu helpful for your dietary needs.

Sincerely,

The Foodservice Department
