

Santa Fe South Charter Schools – Counselor Corner

OCTOBER 2022

Keep your family safe by following these tips:

Install smoke alarms at all levels of your home

Teach family members what the alarm sounds like and what to do if they hear it

Plan 2 ways to escape from every room in the house

Keep low to the floor if there is smoke in the room

Have a meeting place outside

Remember – GET OUT – STAY OUT (Never go back into a burning house)

Remember – STOP – DROP – ROLL (If your clothes catch fire)

Contact the OKC Fire Department and ask about their Project Life Program to get assistance with smoke alarms.
