I-Care Cat continues to
visit and teach students
how to be civil with one
another, and we recently
celebrated 18 of these
students at lunch time with
Happy Meals! They do a
great job of showing they
care about others around
them! We will celebrate
18 more students at the
end of the second quarter!

Amazing staff members
continue to go above and
beyond to assist families.
A HUGE thank you to the
team. We're looking
forward to the new year.
