2023-2024

**Date: 08/01/2023**

RE: Every Student Succeeds Act (Public Law 114-95), Section 1112 (e)(1)(A)

Dear Parent/Guardian,

This letter is to inform you of the federal rules that apply to your child's teacher and paraprofessional. As a Title I school, we must meet federal rules related to teacher qualifications as defined in ESSA (Every Student Succeeds Act). These rules also allow you to learn more about your child's teachers' training and credentials. We are proud of our teachers and know they are ready and prepared to provide your child with a high-quality education. We are happy to provide this information at any time, it includes:

- Whether the student's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- Whether the student's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- Whether the student's teacher is teaching in the field of discipline of the certification of the teacher; and
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Our staff is committed to providing high quality instruction. Students must develop the academic knowledge and critical thinking skills required to succeed in school and beyond. Our commitment includes ensuring all students have access to highly skilled teachers and paraprofessionals.

If you have any questions about your child's assignment to a teacher or paraprofessional, please contact me at 937-237-6300

Additionally, it is important for you to know student state academic testing information is disseminated through postal mail in Huber Heights City Schools.

Sincerely,

*Corine Doll*
