

LEE COUNTY HIGH SCHOOL TROJAN TIMES

The Lee County School System fosters relationships through diverse, challenging, and quality educational experiences that cultivate successful citizens.

Lee County High School is proud to present virtual auditions for American Idol! To celebrate LCHS alumnus and American Idol judge LUKE BRYAN, we're looking for talented singers and artists of all styles/genres from Leesburg! For any LCHS students interested in a virtual audition directly in front of American Idol producers on September 8th, go to tinyurl.com/t66826nw or scan the QR code to the right. Must be at least 15 years. Other eligibility requirements apply. Visit AmericanIdol.com/auditions for details.

We are looking forward to hosting American Idol on our campus September 19th and 20th. While we will not have many opportunities to interact with this group, we are excited to announce a **PEP RALLY** with the judges on Tuesday at the end of the day. We will send out a bell schedule prior to the event. For now, please know they are coming and that we will shift our Thursday (PRIDE/ELT) schedule to Tuesday. The pep rally is for **LCHS STUDENTS AND STAFF** and will be at the end of the day. **For security reasons, no other members of the community will be allowed in the building.** Your SGA is working on themes and other cool items to make this a spectacular event.

PBIS Students of the Month

Congratulations to the August PBIS Students of the Month.

SCAN ME

Certificate of Enrollment and/or ADAP form

If you plan on getting your driver's license or permit and need your Certificate of enrollment and ADAP (certificate completed in 9th grade health class) you must purchase it online through the school store under the parent/student portal. If you wish to pay cash, you must request it in the front office. Please expect a 24-48 hour turnaround- the cost is \$5.

PARKING

Parking Pass

If you drive to school, please make sure you have purchased your parking permit. If you haven't already, you may purchase a parking permit online through the school store in the parent/student portal. We will check the parking lot soon, and those without permits will receive a parking citation. Please pick up your parking permit from the Student Services cart before school or the Student Services office during your lunch.

Where do I park?

Only dual enrollment students with a yellow pass can park in the front parking lot closest to the band practice fields. Student parking is to the right of the yellow line, so be sure to stay out of the teacher portion of the parking lot. All other parking passes allow students to park in the back student lot. You are not allowed to park in a painted spot unless you paid to paint it.

The gate between the front lot and the back parking area will be closed all school year. Please make sure to enter the back parking lot from Peach Street. There is no parking for students by the band room, gym, or loading dock area.

Senior Painted Parking

If you are a senior who purchased senior-painted parking, your spot should have been painted by September 1 for other students to know it is reserved. If rain delayed your getting it painted, contact Mrs. Hoover. If you use last year's design, you must update it with your name and graduation year. If you painted your spot background black, please add your name or graduation year - this will let students know your space is reserved.

If someone parks in your senior painted space (and it is painted), please take a picture of the vehicle tag and student pass number. Email that to Mrs. Hoover (hoovermi@lee.k12.ga.us) and we will do our best to locate that person, issue a citation, and have them move. Please know that this may take some time; in the meantime, park in an open parking spot. Please do not park in someone else's painted spot.
