All addendum shall be posted on the Santa Fe ISD website.

CONTRACT TERMS AND RENEWALS

The initial term of the prospective contract is from July 1, 2016 through June 30, 2017. Upon mutual consent of the Co-op and vendor, the contract may be extended for two (2) additional one (1) year periods, with written consent of the vendor presented no later than sixty (60) days prior to the expiration of the contract.

There may be an additional ninety (90) day transitional period added to the end of the contractual agreement. The contractual prices, terms and conditions are to remain in force during the transitional period.

Proposers are encouraged to bid the exact item specified and pack size; however, if bidding the exact brand specified but a different pack size, please define the pack size.

All prices quoted shall be firm for a period of one (1) year, unless approved through MPA within ten (10) working day notice. In case of pricing increase, the Co-op reserves the right to change product(s). All price changes must be documented on manufacturer letter head using the Producer Price Index (no exceptions)

NEW ITEMS

As student's preference and regulations change, items may be added or deleted from the contract. New items shall be procured in an open and transparent manner. New items will be tested and analyzed for addition to the contract using availability of that item, availability of like items, pricing, individual district needs, and student preference.

SPECIAL TERMS AND CONDITIONS

Audit of True Cost/Audit Deficiencies – MPA and Co-op members reserve the right to audit by procuring pricing from brokers and/or manufacturers. In the case of an audit deficiency, the vendor will be required to reimburse the Co-op for any overcharges plus a 20% penalty on the amount being overcharged. In the case where a member is undercharged, the member will not be liable for those charges and will reimburse vendor only the actual amount undercharged with no penalties assessed.

Damages – The successful proposer will be held responsible and required to make good (at proposer's sole expense), all damages to persons or property caused by the proposer's employees and/or agents.

Delivery – The successful proposer will be required to provide all the necessary labor, equipment and delivery vehicles necessary to perform inside deliveries, including coolers and freezers as necessary, to the requesting Co-op member(s). The list of Co-op member districts is attached. SPA may remove or add districts upon mutual agreement of both parties. If this addition or subtraction of a member(s) constitutes a material change, a new RFP will be issued at the time of renewal. It is the responsibility of the successful proposer to coordinate in advance all deliveries with the requesting member(s) of the Co-op and to determine their specific delivery requirements and operational needs.

Delivery Frequency – At minimum, weekly deliveries are to be made to all locations specified by the Co-op members, depending upon the individual needs of each. More than once per week deliveries may be arranged by the individual member(s) and the successful proposer.

Delivery Time – Generally, deliveries are to be made between the hours of 6:00 am and 1:30 pm; however, the successful proposer agrees to work with each member on mutually agreeable delivery times. Late deliveries, regardless of cause, must be re-shipped by 10:00 am the next morning unless unusual circumstances occur. Key drop deliveries are acceptable under mutual agreement of the vendor and individual districts. If the distributor cannot meet pre-determined delivery schedules they may be held responsible for overtime payments to employees incurred by the districts at the current rate of payment currently being received by the employee who must stay to accept the order.

Delivery Vehicles – The successful proposer will ensure all delivery vehicles are clean and sanitary, deliveries are made in properly refrigerated and enclosed trucks, in good repair, and appropriate for the type of product being delivered according to HAACP guidelines; and meet all health and sanitation requirements of the State of Texas, local and federal government.

Drivers – Drivers shall present a neat and clean appearance, be in uniform, show picture ID, and make their deliveries in an efficient and courteous manner. Drivers must meet all requirements for license and driving record required by the TEA Education Code 22.085.

Notification of Late Deliveries – The successful proposer will promptly notify the requesting Co-op member(s) when an item or items cannot be delivered within the specified delivery time (according to the purchase order). Shipping Container Condition – The successful proposer will ensure all cases, cartons and containers are clean and unblemished.

Shortages – The successful proposer will notify Co-op member(s) by 2:00 pm on the previous day before delivery of any back order or shortage items. Any items that the proposer fails to deliver on the designated, scheduled delivery date must be re-shipped by 10:00 am the following day. Approved substitutions must be shipped at the same portion cost per the bid award.

Substitutes – Substitutes are defined as any item substituted for a menu item when usage has been communicated to the awarded distributor within the lead time of the manufacturer. In addition, when a substitute must be made, it will be understood that it is portion for portion. Exceptions may be documented with PO dates showing orders were submitted to the manufacturer within that manufacturer's lead time or if the items are short shipped. Documented market shortages do not required individual documentation. The awarded distributor should be knowledgeable enough to work with districts in times of shortages to assist in the usage of diverted pounds by recommending other items from that manufacturer and items set up in the SPA Bid Contract File. They should be knowledgeable enough to recommend appropriate substitutes and able to make the appropriate case adjustments for various pack sizes when requesting substitutes.

When substitutes or shortages occur during the weekly ordering process a full explanation is required back to the schools. The term "discontinued" must be explained as to who is discontinuing it, the distributor or the manufacturer. Terms such as "ETA Undetermined" are unacceptable. A clear answer will be required.

Sanitation/Safety – The successful proposer will warrant that all products will be fresh, clean and wholesome upon delivery, and will be packaged, handled and transported in an acceptable manner. All temperature and sanitation procedures must meet all HAACP guidelines at all times during the deliver process. If the delivered product is determined to be unacceptable by a Co-op member, in the member's sole discretion, the Co-op member has the right to refuse the delivery. If the product has already been delivered, the successful proposer will be required to pick up the unacceptable product and, at the sole discretion of the requesting Co-op member, a credit shall be issued or an acceptable replacement provided in a timely manner.

Temperature – If applicable, frozen products shall be delivered at the temperature of 0Fahrenheit or below, with determination by the Co-op member to accept or reject the product if temperature is questionable. Chilled products should be delivered at a temperature between 35and 40 Fahrenheit. Dry products should be delivered at temperatures no higher than 70 Fahrenheit.

- A listing of all the items purchased by the Co-op members in descending order, with vendor's code numbers, description of products, manufacturer's name and code numbers, price per case, total amount of sales per product and a total for all items. This report will be used for contract management/sell price verification.

Issues taken to the Board must be submitted in time to add to the next possible meeting agenda. Protesting parties must be in attendance at the Board meeting for the issue to be considered. Any vendor who submits a proposal is agreeing to these terms of Protest Resolution.

Nutrition Information and Fact Sheets – The successful proposer shall submit UPON REQUEST FOR SPECIFIED ITEMS:

USAGE MANAGEMENT/ORDER GUIDE

The distributor shall appoint a single contact for Co-op usage management. Member districts will work with distributors assigned employees on back-to-school, as well as ongoing usage. That information shall be assimilated into usage information for accurate purchasing by the distributor using menus and items. Districts are to provide all information to the distributor. Failure to provide the necessary information to the distributor shall be reported to MPA. Forecasting involves the past, present, and future needs of the districts that the distributor must have the ability to manage effectively. An Inventory Request Form shall be used by the members to communicate changes in usage to the distributor. The awarded distributor will work directly with MPA to manage usage. All changes in usage submitted to the distributor shall be communicated to MPA with the exception of small special function purchases of normally stocked items. Proper procurement requires any purchasing entity to rebid if a material change is made to the overall purchases.

It is the responsibility of the SPA Primary Contact with MPA to communicate all supply disruptions and document them on manufacturer letterhead in a timely fashion. In the case of a supply chain disruption, the Primary Contact shall work with MPA to develop a list of alternate items that comply with CN regulations to preserve the nutritional integrity of the meals being served and to procure contract pricing on pre-approved substitutions. Dealing with disruptions and substitutions should be conducted in a manner that preserves free, fair, and open competition.

The Order Guide in Excel shall be prepared by the distributor within 10 business days from the approval by the Santa Fe ISD Board of Trustees with all contract pricing in place. ANY changes to the Order Guide must be approved by MPA. Changes in vendors, pack sizes, etc., by the distributor must be approved by MPA. To prepare for a rollover, an Order Guide shall be prepared by the distributor in Excel by March 15th for the next school year, understanding that new pricing will not be in the distributor's system for district ordering until July 1st of that year. An analysis shall be prepared by the distributor showing new pricing and variations with a total variation for the next year.

Communication is key to a successful partnership. The awarded distributor is expected to communicate all issues and changes to MPA that affect Co-op members.

Co-op members shall comply with all local, state, and federal purchasing standards whichever is the most restrictive.

If a contracting or subcontracting entity determines that Subsection (a) does not apply to an employee, the contracting or subcontracting entity shall make a reasonable effort to ensure that the conditions or precautions that resulted in the determination that Subsection (a) did not apply to the employee continue to exist throughout the time that the contracted services are provided.

(m) A contracting entity complies with the requirements of this section if the contracting entity obtains a written statement from each subcontracting entity certifying that the subcontracting entity has obtained the required criminal history record information for employees of the subcontracting entity and the subcontracting entity has obtained certification from each of the subcontracting entity's subcontractors.

(n) A subcontracting entity must certify to the school district, open-enrollment charter school, or shared services arrangement and the contracting entity that the subcontracting entity has obtained all criminal history record information that relates to an employee to whom Subsection (a) applies and has obtained similar written certifications from the subcontracting entity's subcontractors.

(o) A contracting or subcontracting entity may not permit an employee to whom Subsection (a) applies to provide services at a school if the employee has been convicted of a felony or misdemeanor offense that would prevent a person from being employed under Section 22.085(a).

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
