Comments

Board Member Steve Corona enjoyed the back to school employee event last week held at Parkview Field. He feels this is a good way to kick off the school year. Member Corona needed to hold back the tears when retired teacher Roy Williams made an appearance.

Board Member Julie Hollingsworth also enjoyed the kick off event and staff enjoyed the free stuff, we needed more. Member Hollingsworth enjoyed hearing from staff members who presented. She also enjoyed visiting with the Transportation department prior to the start of the school year.

Board Member Anne Duff enjoyed the back to school event and hearing from staff and students. You never know when you are helping a student. Staff always have to be on their "A" game, not just at school but also in the community. Member Duff encouraged the community to volunteer with Study Connection and Lunch Buddies. Reminder to Slow, Stop, Stay when bus arms are out.

Board Member Rohli Booker echoed how fun the kick off event was and to remember the "Why." Member Booker also visited Transportation and she thanked those who work there and remember "grace." Ms. Booker shared that she also enjoyed the first day of school visits.

Board Member Noah Smith shared his childhood teacher Ms. Bickel story. Last week each day he enjoyed something special with FWCS. The Board supports FWEA and supports staff members. Member Smith brought to the attention of the years of experience FWCS staff have.

Superintendent Dr. Mark Daniel enjoyed giving out high fives and hugs during his first day of school visits at Northrop, Shawnee and a few elementary schools. Superintendent also thought the Parkview Field kick-off event was inspirational. We knew we would have some bumps in the road with Transportation on the first day of school, but we have had less each day. We urge parents to contact Transportation as we are always looking to improve.

Board President Maria Norman echoed what everyone said about back to school kick-off event. President Norman also spoke about the block party and the 700 backpacks given away at that event, can only imagine how many hours was put into that event. Thank you to community partners and staff for their generation donations.
