Fall 2023 Community Service Bake Sales

Dear Newmark Parents,

This fall, Newmark Community Service will be hosting several Bake Sale Fundraisers to benefit local organizations. These Bake Sales are very popular as students are able to purchase snacks and support local community organizations. Please consider donating snacks for these upcoming sales. Note: Due to health/safety requirements we are only accepting **store bought items, with attached ingredient lists.** Ideally, items should be individually sized, pre-packaged, however unopened multi packs from the store will also be accepted.

Allergy Notice: Just a brief reminder that for all students attending Newmark this year we need to be mindful of food allergies. For some of our students, any exposure to peanuts, tree nuts (walnuts, pecans, etc.), eggs, red dye and dairy products can cause a life-threatening allergic reaction that requires medical treatment. To help reduce the chance of this occurring we are reminding parents sending in treats for Bake Sales to only send in **store bought items, with attached ingredient lists.**
