Guidelines for Grant Applications

Purpose:

The Innovative Granting Program is designed to encourage, facilitate, recognize and reward innovative and creative instructional approaches to the accomplishment of program objectives. The Carrollton-Farmers Branch ISD Educational Foundation (CFBISD EF) is offering employees the opportunity to apply for grants to support innovative programs or projects to enhance learning. The grants must align with the campus, department or district vision, improvement plans, or strategic plans.

Persons Eligible to Apply for Grants:

All employees of the Carrollton-Farmers Branch ISD are eligible to apply.

Eligible Proposals:

Instructional approaches or projects designed to begin during the 2023-2024 school year. Grants are supplemental and above and beyond what is funded traditionally by tax revenue. Grant applications should be complete, easy to understand the projected outcomes, and submitted prior to the deadline.

Award of Funds:

- The degree to which the grant supports the current District goals, the Campus Improvement Plan, and is aligned with the vision of the school system.

- The degree to which the proposal is clear and logical, including (a) specificity of objectives; (b) clarity of description of instructional procedures, methods or treatments; and (c) correspondence among evaluative procedures, objectives, and treatments.
