"Together We Will Rise"
Class of 2024 School Motto

Headmaster Message

Take Courage

By: Bob Schaffer, Headmaster

After the first three days of new-employee training, I'm pleased to report we have some wonderful educators who have joined our team. Liberty's newest classroom instructors, teaching assistants, and support staff, this week, have reported for duty.

Veteran employees will join their new colleagues on Monday for a full week of all-staff training and preparation culminating with that following Friday's annual festivities of "Torch Trek," the official kickoff to the school year. Though focused on

junior-high and high-school students, all LCS families are welcome to attend (details elsewhere in this newsletter).

Then, on Mon 21 Aug 2023, it's the first day of school. Take courage. We're ready for the students; they're ready for us.

After a peculiar summer of thunderstorms locally, wildfires on the continent, and depredation of war in Eastern

Europe, we anticipate LCS students returning as a tiny whispering sound. Like at Horeb, the faculty, administration, and I will stand at the school doors to welcome each child as a true blessing, an emblem of love.

From that happy day forward, young scholars will be guided by Liberty's professional classroom educators toward that which is true, beautiful, good, and perfect. Kindness and truth shall meet; justice and peace shall kiss.

Upcoming Events

Mon 14 Aug 2023 | New-Student Orientation | 6:30PM | Aristotle and Plato Campuses
Thu 17 Aug 2023 | Back-To-School Social | 6:00PM | Aristotle and Plato Campuses
Fri 18 Aug 2023 | [Torch Trek](#) | 6:00PM | Plato Campus to LCHS
Mon 21 Aug 2023 | First Day of Classes
Mon 21 Aug 2023 | Robotics-Info Meeting (Grades 4–8) | 3:30–4:30PM | Plato Campus
Tue 22 Aug 2023 | Back-to-School Night | 5:30PM | Aristotle and Plato Campuses
Mon 23 Aug 2023 | Robotics-Info Meeting (Grades 4–8) | 3:30–4:30PM | Aristotle Campus
Sat 26 Aug 2023 | Robotics Season Kick-Off (Grades 4–8) | 10:30–11:30AM | Plato Campus

Sat 16 Sep 2023 | [Liberty-2-Liberty 5K](#) | 9:00AM–12:00PM | Plato Campus
Sat 7 Oct 2023 | [Festival of Ideas](#) | 9:00AM–3:00PM | LCHS

News

Don't Be A Stranger. To help promote Liberty Common School and add a level of security to our parking lots, LCS has designed a removable sticker for all families to use on their vehicle. Stickers will be distributed to all Liberty families at our upcoming Back-To-School nights. We kindly urge all individuals engaged in drop-off, pick-up, or frequent use of our parking lots to affix one of these stickers to their rear window. Beyond the security benefits, it's also an excellent opportunity to proudly exhibit your school

spirit and celebrate the excellence of our institution. For those who require additional stickers, you can easily obtain them from the front office at no cost.

Welcome New Staff. Get to know the exceptional new instructors and support staff joining LCS. [Click here](#) to explore their brief biographies and join us in extending a warm Liberty-family welcome to these dedicated educators.

New Website. Liberty Common School strives to achieve excellence in all it does. This extends to our stunning new website. Be sure to visit www.libertycommon.org and explore the new features and design. Please use the [online form](#) to leave feedback (or report bugs) and help us ensure the best web experience.

Online Registration Available Soon. Through the school's annual-online registration, you can update your student's contact information and medical information, sign up for shuttle-bus riding, and provide other important information for a successful school year. The school requires

annual registration of all students, both new and returning. This year we are implementing a new process where each family will create a PowerSchool Enrollment account. Creating the account is quick and easy, and this will streamline the registration process for all families going forward. Please watch your email in the next few days for personalized instructions on how to complete the registration for each of your students.

Student-Activity Fee. To streamline activity-fee collections, LCS charges a flat-fee rate of \$35.00 per LCS elementary student (K-6th grade) and \$50 per LCHS junior-high/high-school student (7th-12th grade). This annual one-time fee helps offset the cost of many of the special events at all campuses. This annual one-time fee is collected electronically via credit card, debit card, or electronic check through [RevTrak](#) or via your parent PowerSchool account.

[Pay Student Fees](#)

Torch Trek. The 2023 Torch Trek will is on Fri 18 Aug 2023. Students in grades 7–12 are invited to attend an evening celebration for the incoming 7th graders. [View the flyer here.](#)

Health Services

[Health-Office Letter \(PDF\)](#)

Health Plans and Medications. All medication given at school, whether doctor-prescribed or over-the-counter (including cough drops and any type of natural supplements) must be accompanied by a [medication-permission form](#), signed by both the parent/guardian and a physician. Medication must be provided and brought to school by the parent, in the original prescription bottle or over-the-counter container, and must not be expired. If medication changes or medication is discontinued during the school year, please have the child's doctor fax the new or correct orders. Asthma inhalers or medication to treat severe allergic reactions may be carried by the student as long as this is agreed upon by the child's healthcare provider, parent, and school nurse, and a healthcare plan is in effect. Authorization for medication administration must be completed yearly and healthcare plans updated annually for each school year. Only high-school students may carry medications with a permission form.

Immunizations. Colorado requires all students entering school be up-to-date on all immunizations. Please make sure these are in order and upload all required forms during annual registration. Contact your healthcare provider with any questions regarding what your student may be missing. Personal-immunization exemptions require a doctor's signature on the official form and/or completion of the state-required learning module annually. Please access more information [on our website](#). Children with an exemption may be kept out of school during a disease outbreak if recommended by the county. Medical exemptions require a physician's signature and need to be submitted only once. Without proof of current immunizations, your child may not start school.

Opportunities

[Volunteer Registration](#)

[Substitute-Teacher-Interest Form](#)

[Host a Foreign-Exchange Student](#)

Robotics. The [FIRST Lego League Challenge Robotics program](#) at Liberty Common School provides an excellent experience for students in grades 4–8. Download the following forms for additional information.
