ISAAC, a renowned institution known for its commitment to arts and communication education, has a dedicated PTO that plays a vital role in enhancing the school's educational experience and fostering a sense of community among students, parents, and staff.

PTO meetings are held on the second Tuesday of each month from 6:00 pm to 7:00 pm, providing an excellent opportunity for busy parents to get involved without disrupting their daily schedules. These meetings are conducted via Zoom to accommodate the needs and preferences of all participants. Meeting links are conveniently distributed through text and email for easy access.

The PTO's primary objective is to support ISAAC in its mission to build a strong educational foundation in collaboration with the school's principal, dedicated staff, and the broader school community. Members actively engage in various initiatives and activities aimed at enhancing the overall educational experience at ISAAC.

Key areas of focus for the ISAAC PTO include fundraising efforts to support school programs, fostering a positive school climate, organizing educational events and workshops, and facilitating communication between parents, staff, and the school administration. The PTO's dedication to these initiatives contributes significantly to the school's success and enriches the lives of students.

### STAFF SPOTLIGHT, Mrs. Alger

#### What do you enjoy most about ISAAC?

I love the way everyone feels like family at ISAAC. Whether it is dancing to music in the morning while greeting students, eating lunch together, or catching up at the end of the day-from students to staff it feels like an extension of home.

#### What made you become a teacher?

I had an outstanding teacher in high school who I looked forward to learning from every day; she made learning interesting and made me feel like I mattered. It was her teaching style that made me want to become a teacher and help children feel the same way when they come into my classroom.

#### What are some of the things you enjoy doing outside of school?

I enjoy gardening and working on our project house (we bought a 100-year-old renovation project), spending time with my daughter and husband, and entertaining. I am also an avid reader and soak up as much time at the beach as the weather will allow.
