

EPISODE 16 - APRIL @ MU

Hi Delaney,

From an Ultimate Chef cooking competition to a Hoe Down 🤠 right on the lawn in front of our Student Life Center, April was just so much fun at MU!

April showers didn't stand in the way of our students having a good time on campus. In fact, the weather was perfect for relaxing in the sun or playing a game of ring toss around the bull's horn 🐮 🎯.

[Take a look at this video](#) of these and other fun activities at our **Hoe Down**.

If you're a foodie or just appreciate a good competition, the **Ultimate Chef Competition** was an event not to be missed. In this annual tradition, the President's team competes against two student teams to score the most points with the judges and win prizes. Each team prepares three courses; and there's even a secret ingredient!
