

Dropping off + picking up

OUR GOAL:

Be Safe & Efficient

DROP OFF

9:00 campus open, 9:10 classrooms open,
9:15 class starts!

- Approach Highland **ONLY** when traveling southbound on 113th, using the roundabout at SR 92 if needed
- Right turns only out of the parking loop
- Cars don't need to physically distance :) so please close the gap between you and the car in front of you
- Pull forward all the way to where the driveway bends near the flagpole
- Stay in your car - staff can assist you in loading/unloading from any door - just look for a bright vested adult!
- The far right lane is for active loading and unloading only - drivers remain in their cars
- Have your child ready to go (backpack, mask, etc.) Staff can assist in putting on coats and backpacks if needed. Say your goodbyes before you're up!
- If your child can unload on their own you don't need to wait for staff to open doors as long as it's after 9:00 am
- Students will be supervised on their way to line up and/or breakfast

PICK-UP

Dismissal is at 3:30 pm

- Consider placing a simple sign with your child's name and grade level in your window
- Your child will be waiting near the flag pole
- We will load the first 4-5 cars only (along the green curb) in order to keep the line moving efficiently
- Tell your child who will pick them up and what kind/color of vehicle to watch for
- (Kinders will be ready at 3:25 at the north gate)

Please share this info
with others in your child's
"village" who may pick up
or drop off.
