

Department: Music Department

Grade: 7th

Level: Middle School

Course Title: Chorus

Description of course:

Students in chorus will review concepts studied in previous grades. They will perform music through singing. Students will focus on music from Western and non-Western cultures. Students will focus on techniques required for proper vocal production.

Content: Students will study melody, rhythm, harmony, texture, tone color, form, and expression.

Instructional Time: Chorus is scheduled to meet twice in a five day cycle.

Resources: Choral octavos representative of Western and non-Western cultures.
