

**Department:** Art

**Course Title:** Visual Arts

**Course #:** 901

## **DESCRIPTION OF COURSE:**

This 9-week class will cover studio production, art criticism, and aesthetics, and will include a general overview of art history from the Stone Age to Modern Art. Reading and writing assignments will include studies of artists, period styles, and personal opinions on artwork. Students will also experience several mediums in which to explore and possibly pursue in other art courses.
