

Whitehall-Coplay School District Syllabus

Course Title: Spanish 2

Grade: 10-12

DESCRIPTION OF COURSE: Students will continue to learn and develop extensive language skills needed to engage in Spanish conversations related to daily activities in the present and the past tenses. Students will also strengthen all prior concepts learned and build upon understanding the basis of the Spanish language. They will continuously demonstrate their knowledge and understanding by confidently expressing themselves in Spanish through speaking assessments, cooperative learning activities, and written exercises.
