

**Department: Social Studies**  
**Course #: 20207A**

**Course Title: Global Studies**  
**Grade: 11**

**DESCRIPTION OF COURSE:** Global Studies provides for the study of world history, geography and economics. Students will analyze the history and geography of the world and the societies, cultures, religions, arts and global relations that have developed over time. They will compare different political and economic systems while identifying political leaders from selected historical and contemporary settings. Students will be assessed based on tests, essays, class work, oral presentations, outside readings and written research assignments.
