**Job Title:** PreK-12 Music Teaching Assistant

ACST is searching for a teaching assistant and accompanist for our music program. The ideal candidate will have the following qualifications:

- Be able to accompany both music teachers in both classroom work and in concerts. The ability to play piano at a high level is essential for this position.
- Experience playing/teaching other musical instruments.
- Experience teaching music to students.
- A good command of English. The ability to understand and speak English is preferred.
- The ability to be flexible and work across divisions with two teachers and students from Pre-K to high school.

This can be a full-time position, or a part-time position for the ideal candidate (one who can serve as an accompanist at a high level).
