

# Athletic Combine Information

Mansfield School District and Waterville School District are very excited to announce an athletic combine beginning in the 2015-2016 school year. We believe this combine will benefit students in both districts, providing increased opportunities and building strong programs in a variety of areas.

Our athletic combine unites 2 communities with similar histories and many already established connections. Both school districts are committed to providing a strong, competitive program in all areas to our student athletes. We also believe that participation in our program will help students stay engaged with healthy activities, as well as be supported academically. These programs will be built upon shared leadership ideals, strong communication, careful planning and a desire to grow great student athletes and leaders in both Waterville and Mansfield.

## **Our combine will work in the following way:**

**Junior High athletics** will be hosted by Mansfield School District. Mansfield-Waterville Kernels will practice and play at Mansfield School District. Waterville School will transport students in grades 7 and 8 (6 if numbers allow) to and from practices and games. The athletic bus will depart at 2:55 daily. Practice will run from 3:40-5:10 daily. The bus will return to Waterville by 6 pm daily.

**High School athletics** will be hosted by Waterville School District. Waterville-Mansfield Shockers will practice and play at Waterville School District. Mansfield School will transport students in grades 9-12 to and from practices and games. The athletic bus will depart at 2:55 daily. Practice will run from 3:45-5:45 daily. Winter practices will run from 3:45-5:45 (boys basketball) and 5:45-7:45 (girls basketball). The bus will return to Mansfield by 6:30 daily (except during basketball season).
